ECHELON
1984-85

ALL NIGHT LONG

The court: Kevin Manis, Shari Clark, Kevin Doyle, Sandy Eldridge, Darren Thomas, Jackie Pigg, Richie Hunt, Bev Bailey, Khris Hale, Heather Kleinbub, Troy Cross, and Patsy Cowan

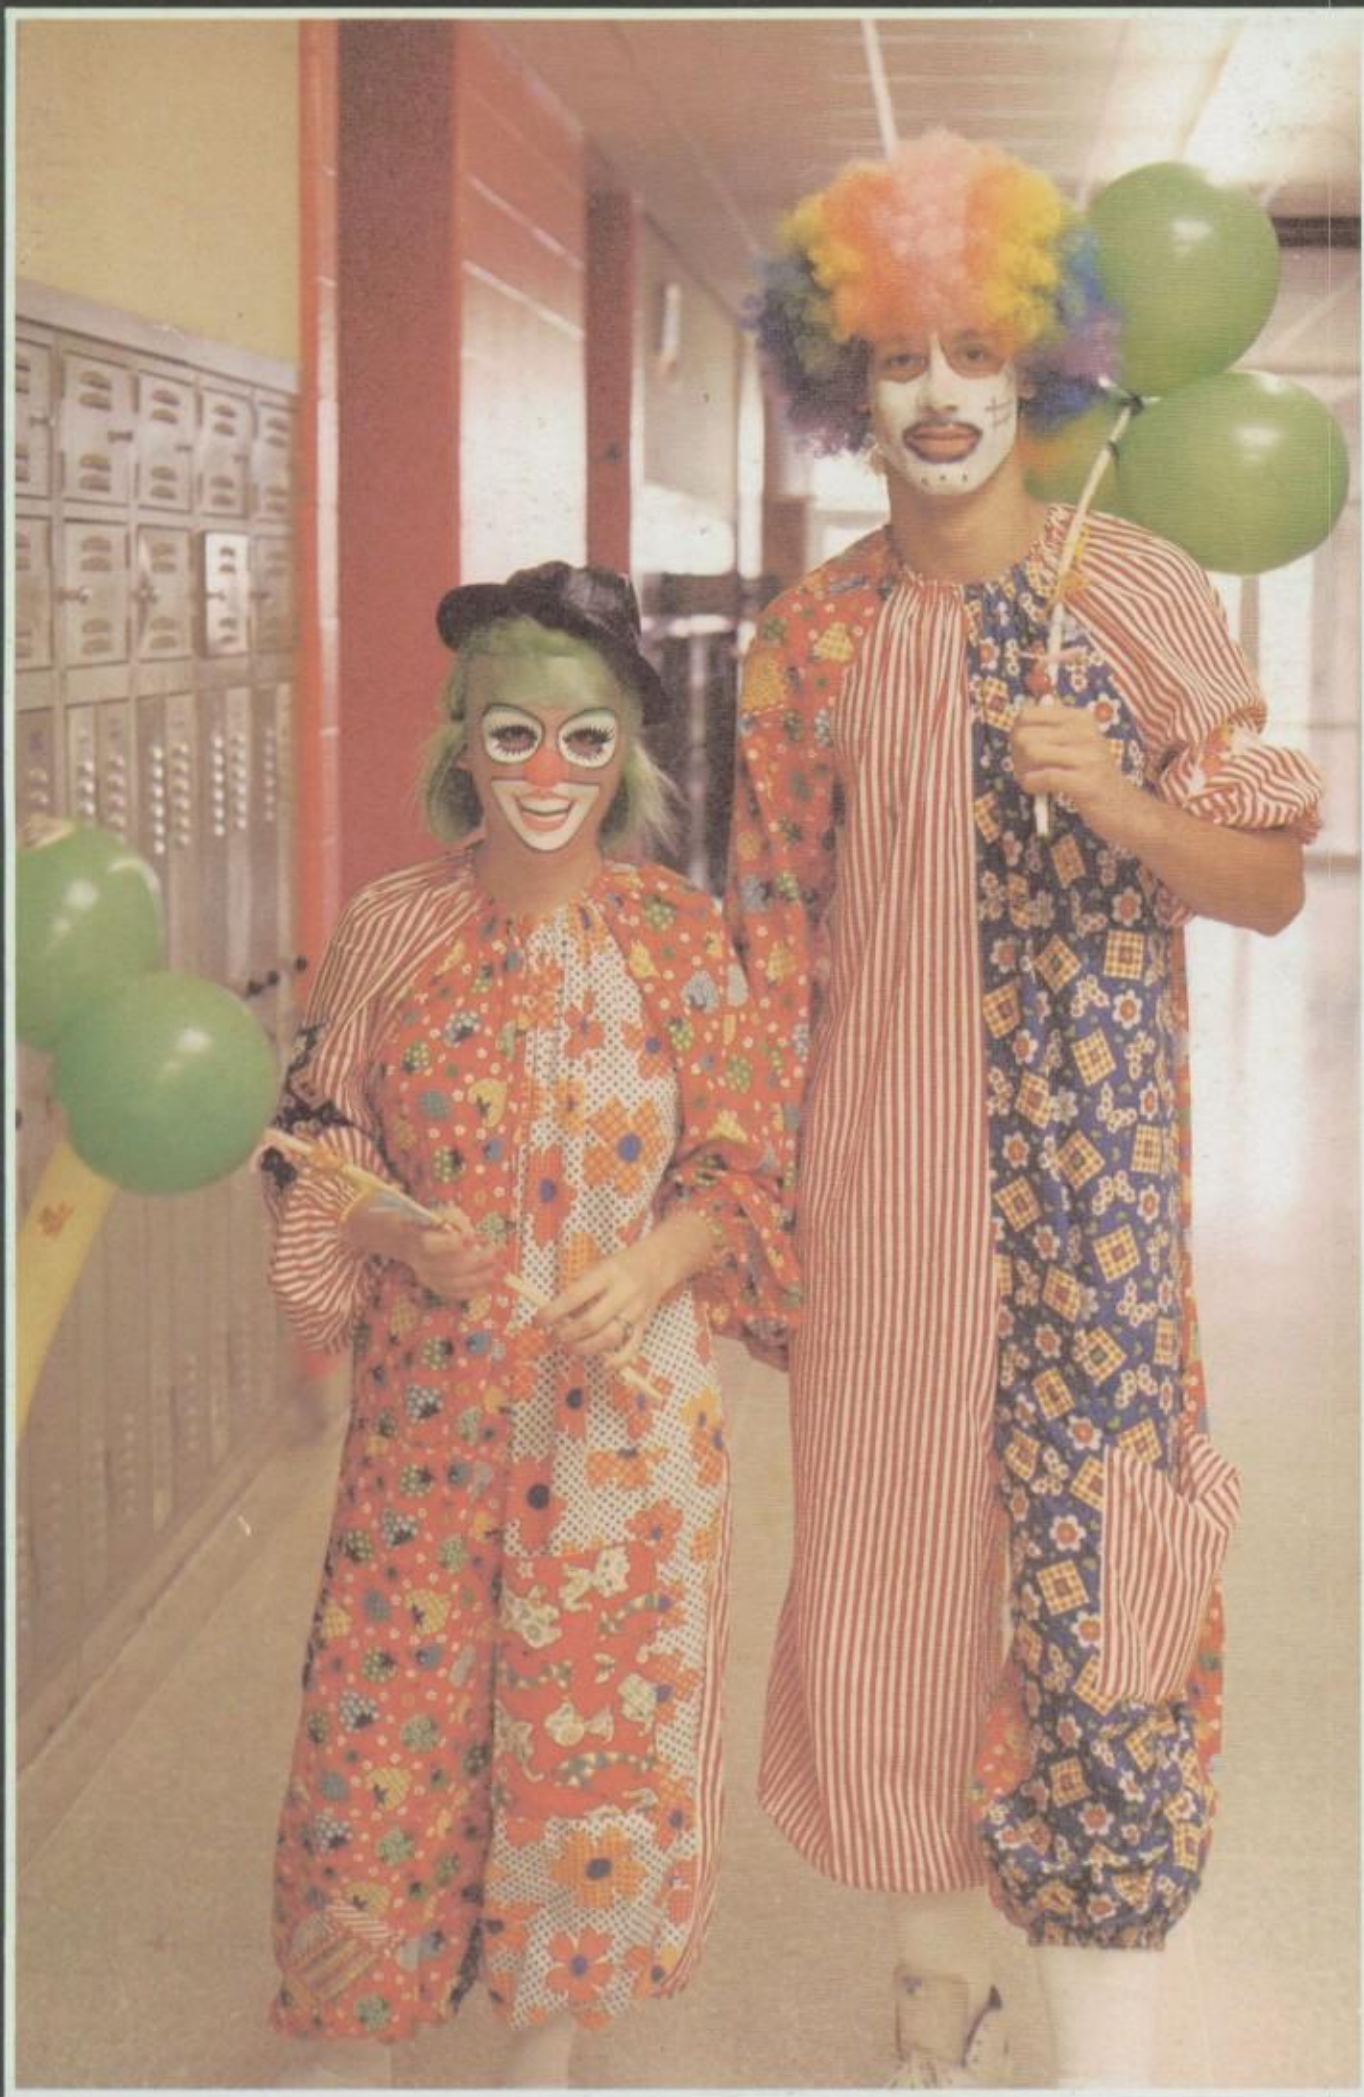

Queen Jackie Pigg and King Richie Hunt share their happy moment.

Spirited students pose as the "Fruit of the Loom" kids.

Tracy Henry and Scott Walsh wish for the exotic days of Hawaii.

ALL NIGHT LONG

What else could be the highlight of the M.V. football season than Homecoming? The special sounds and those special feelings invade the air with a mystical magic that is so typical of a cool fall evening made specially for the Marauders. The hometown crowd was not to be disappointed on this night, either. The tough Marauder men were victorious over a strong Beech Grove team, and the excitement didn't stop there! Seniors Jackie Pigg and Richie Hunt were crowned Homecoming king and queen. The exuberance lasted into the traditional dance, and the party went on ALL NIGHT LONG!!!

Tina Bricker and Tim Stunda pose for the camera as they "clown around."

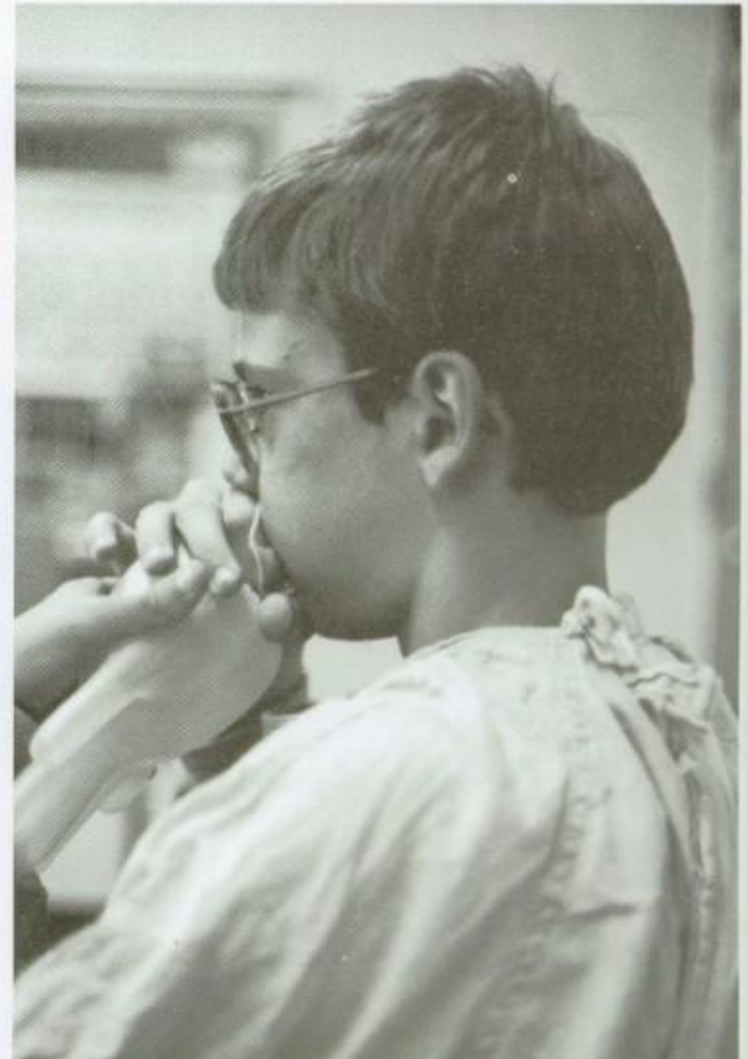

ENTERTAINMENT TONIGHT

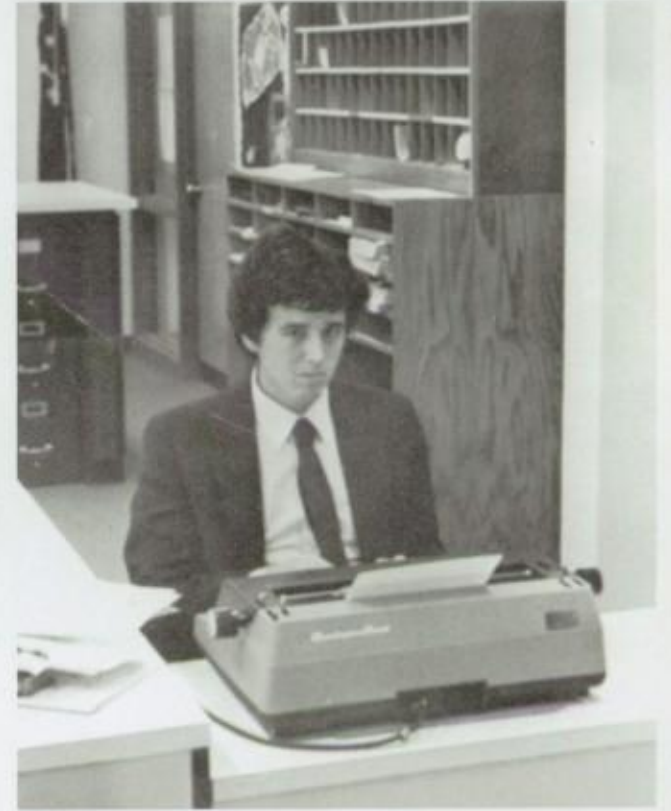

LIGHTS.....CAMERA.....ACTION!!!
The 1984-85 school year started off in the usual manner-the greetings and shouts to old friends throughout the halls, the groans of "more homework," and the meeting of new friends and teachers which led the way to a new beginning. The sights and sounds that greet students range from the tardy bell to the friendly face of their first period teacher...

Heidi Herzler, Kim Roach, and Linda Rishel demonstrate three of the five senses.

Freshman girls hang out in the strangest places.

Ray Jarrett excites his lab partner.

From the nervous freshman, the passive sophomore, the rowdy junior, to the "mature" senior, all have many of the same problems. This year, the Freshmen have totally new requirements to go by, and all of the grades have to adjust to a new grading scale that is much tougher. Most students and faculty seem to agree that the only thing that keeps them going through the week is the promise of a weekend!!!!

Tim Stunda forgets to eat breakfast as he prepares to eat his pen.

Jennifer Waugh looks sly as she prepares to hit the photographer.

Mr. Kendall prepares to grin; it's just a matter of time!

Mr. Doddridge explains the way it is to Senior Tracy Henry.

ELECTION 1984

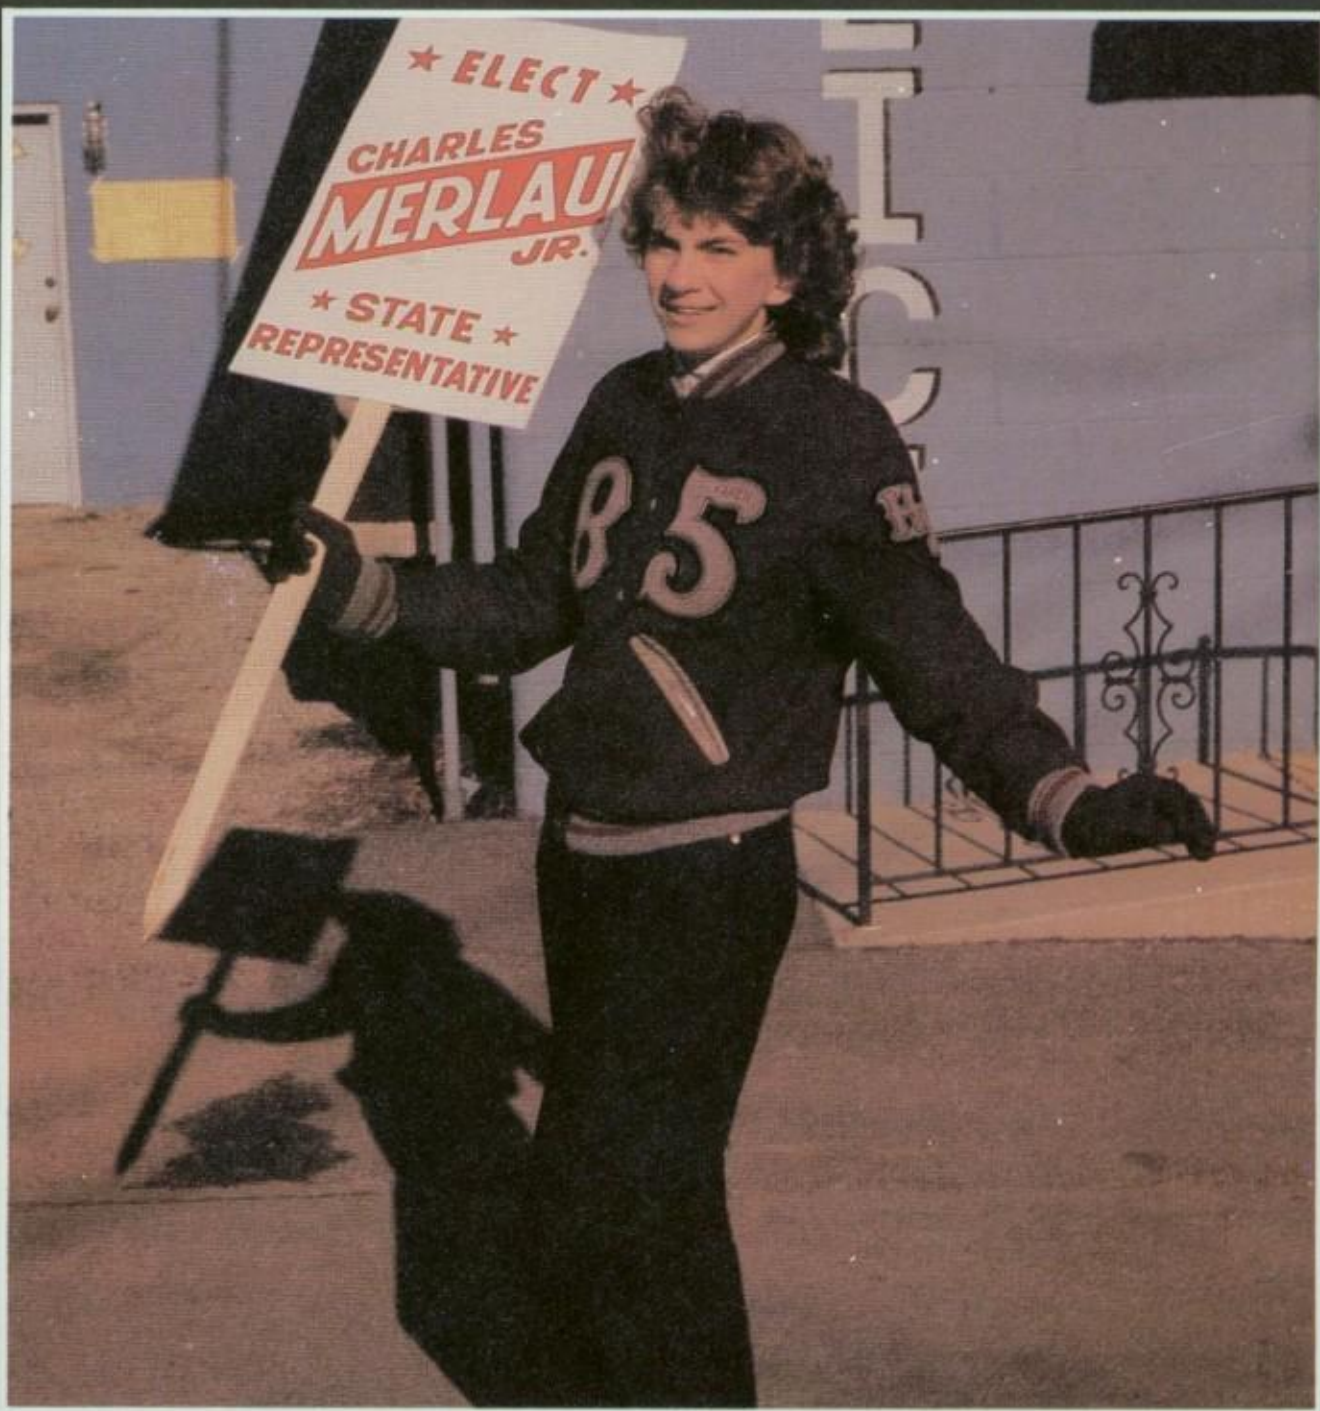

Perhaps the most talked about national event in our school year was the election. Some of the students were allowed the chance to exercise their constitutional right-the right to vote at the age of eighteen. Many of the Seniors had the chance to work at the polls. Most of their duties included handing out literature to the voters, taking and checking names, and standing outside in the cold weather to campaign for the candidate of their choice.

Paige Walker takes time out to smile for the camera.

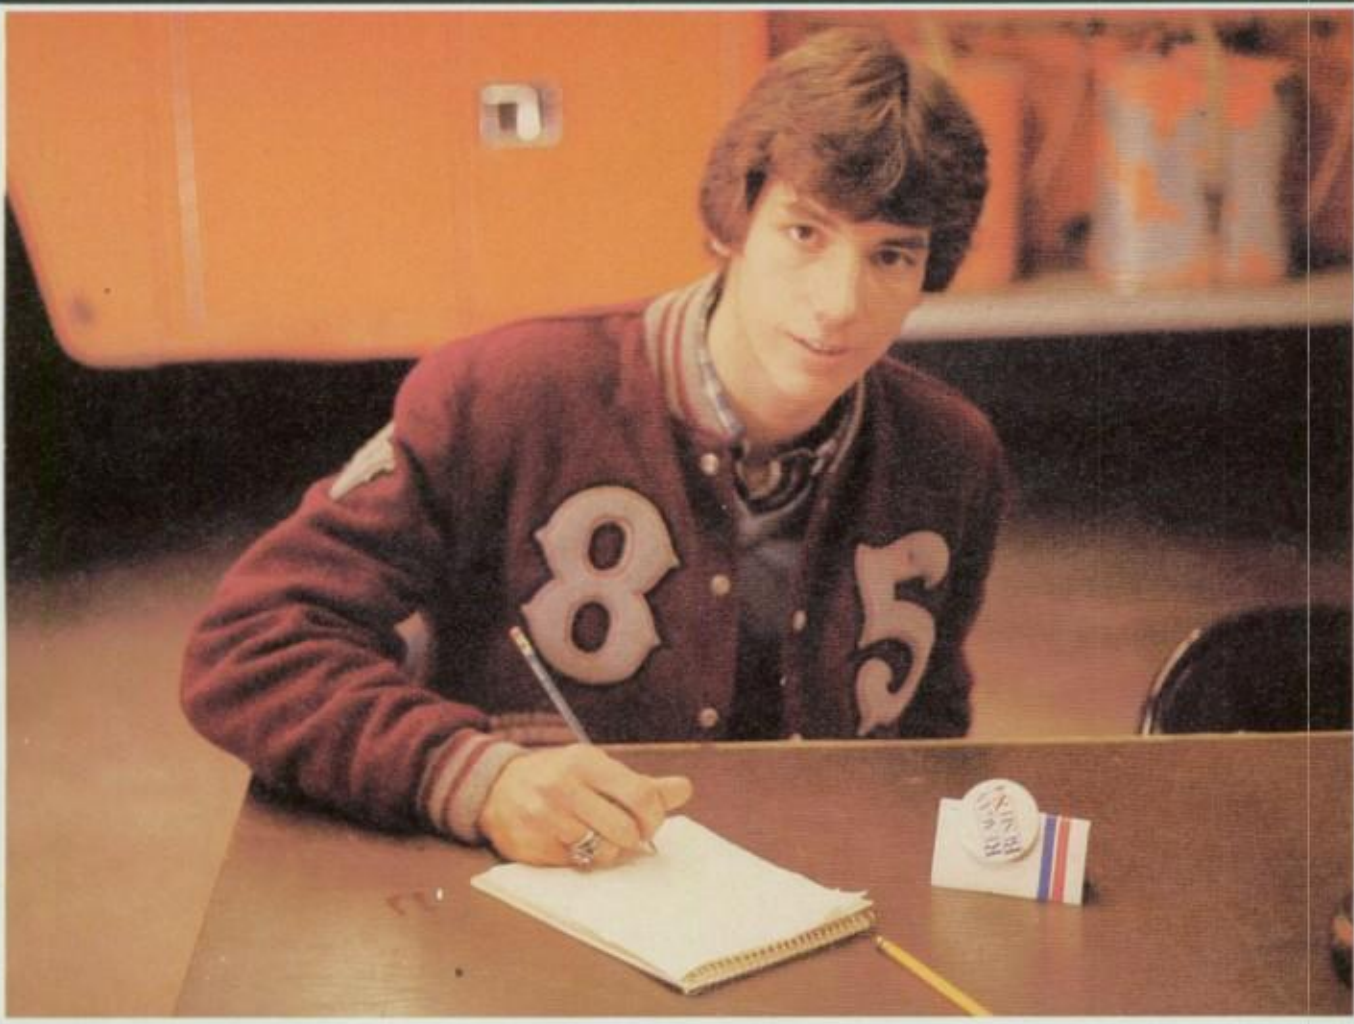

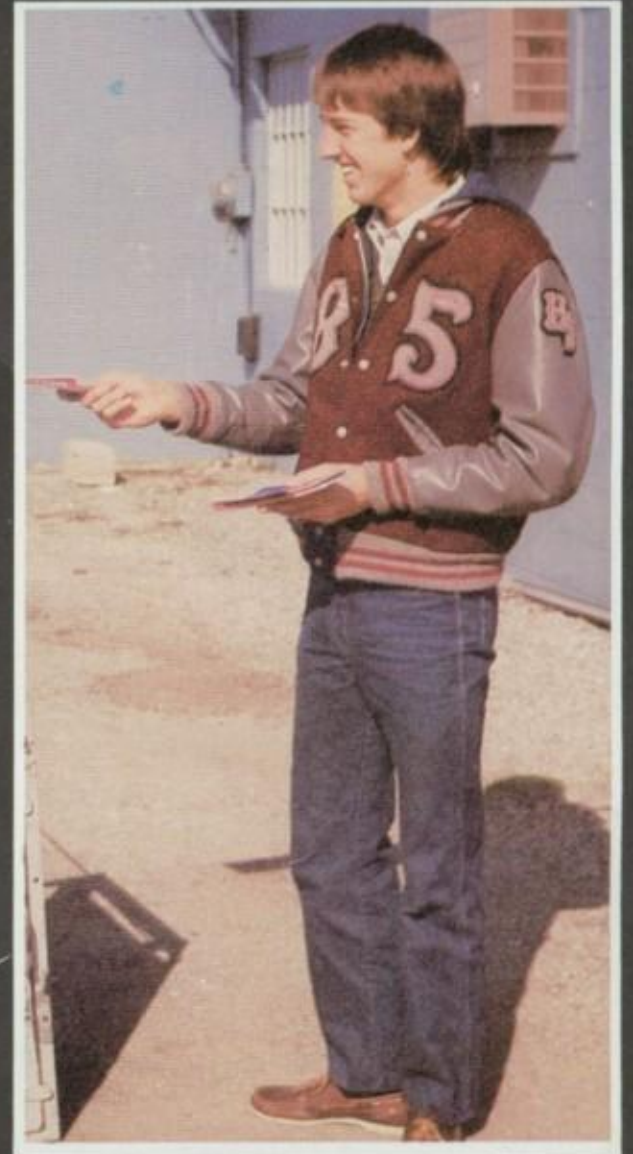

Mr. Hanson assists in the voting process.

Karen Cady shows off her "cuteness" in the hopes that her candidate might get more votes.

ELECTION 1984

The election wasn't only national, although that's what received the most attention! There were also local and state elections. The most exciting information came from Washington-Indiana's senior Senator Richard Lugar became the chairperson of the Foreign Relations' Committee. All in all, not a bad year!

Brad Hedrick braves out the cold weather to get extra credit in Government I class.

Brian Stommel hands out information to unsuspecting voters.

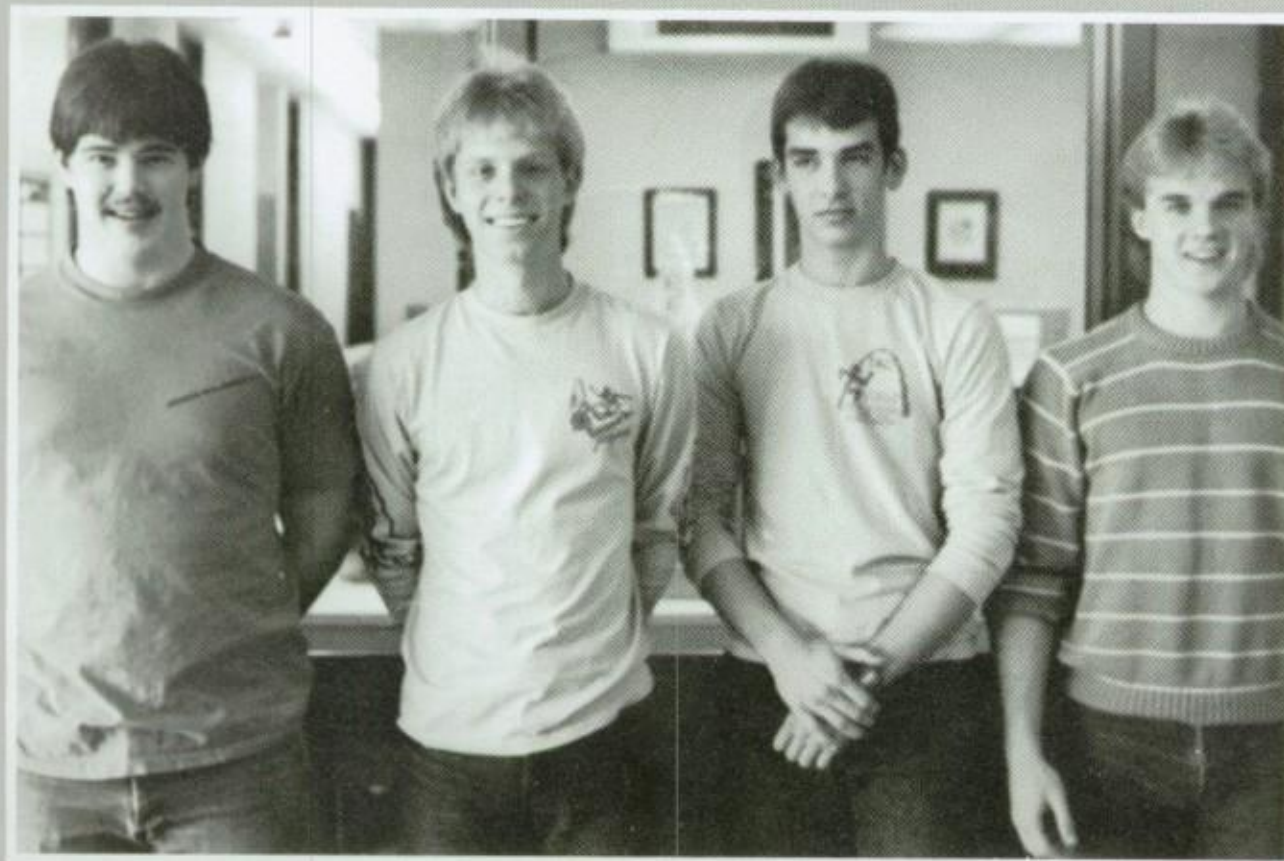

Kirk Staley tends to look very excited about these things!

TIP OF THE HAT

Mt. Vernon is very lucky to have such a degree of excellence. The excellence isn't just in one area, either! The well-rounded area includes both academics as well as sports.

Debbie Barnes looks thrilled to get a national award won for publicity for Latin Club.

Jeff Wheeler and Mike Mundy make the Cross Country All-State team. Dick Jones and Darren Thomas make the Football All-State team (Honorable Mention).

As seen here in these pictures, there is a special degree of pride in each one of the accomplishments. The ability to give one's best will always be noted as "excellent." How can anyone ask more?

Jeff Wheeler displays a modest grin as he holds the banner proclaiming him as the 1983 State Cross Country Champion. Jeff also had the honor to be the Mental Attitude Award winner for cross country at the state meet.

Vernee Vail, Greg Donoho, and Mike Branson were all nominated for the D.A.R. Award. Vernee did get the award, but all of them are "excellers."

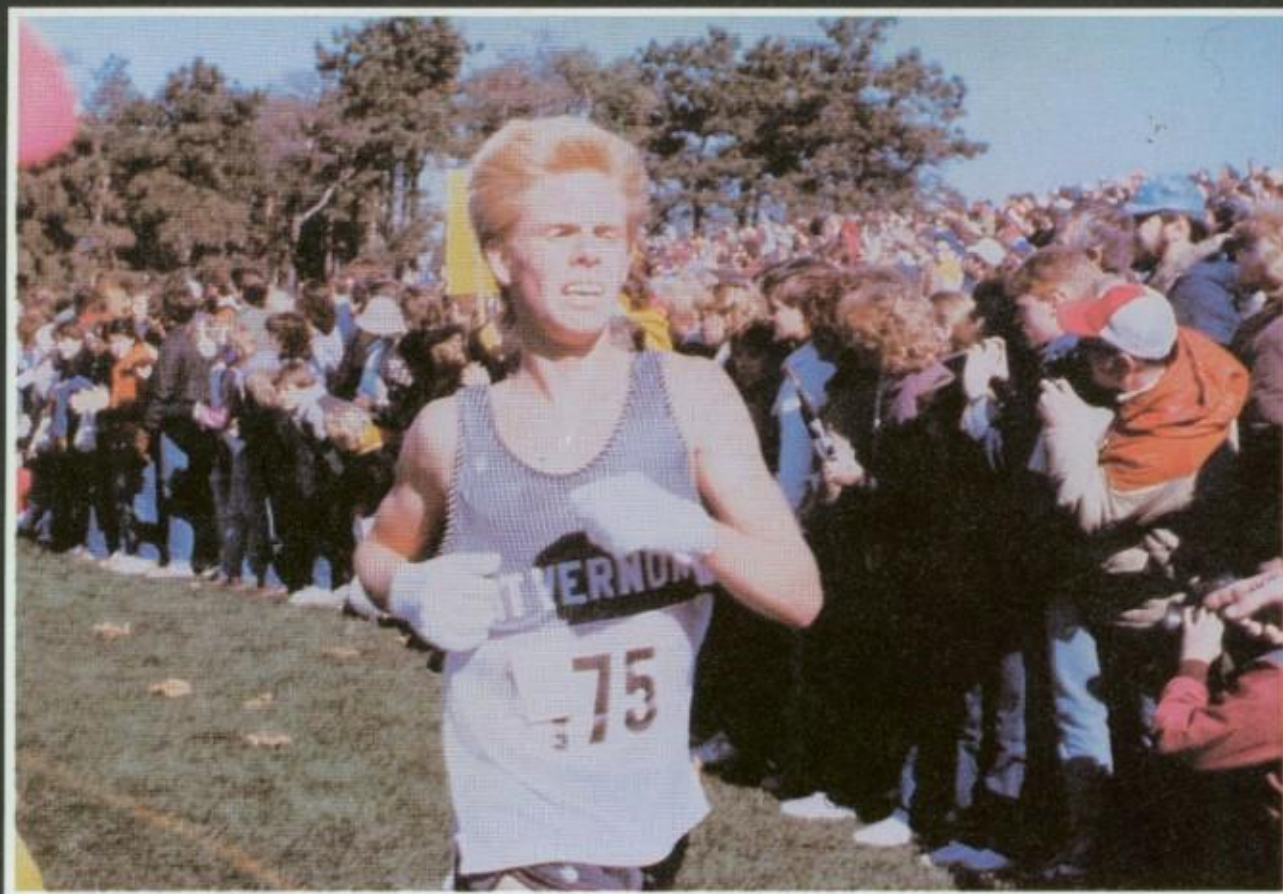

NOBODY DOES IT BETTER

Cross Country- two simple words that stand for hard work, dedication, and a strong determination to win. The team, coached by Bruce Kendall, has miles of victories behind them, but don't be fooled by their nonchalant acceptance of their success because they worked hard for it! The team practiced both in the morning and in the afternoon hoping that the pain would soon end and bring success. The year 1984 saw the team win sectionals for the second year in a row; regionals for the second year in a row; and for the first time ever in cross country history, the team won semi-state by edging out top ranked teams like Carmel and Ben Davis. Their success had finally come when they made it to state for the third year in a row. The team placed fourth in an EXCELLENT finish! There was even more excitement as Jeff Wheeler, the 1983 state champ, received just as high an award as he was given the honor of being the 1984 Mental Attitude Award winner! It's a sure sign that here at Mt. Vernon that NOBODY DOES IT BETTER!!!

Jeff Wheeler crosses the finish line in second place.

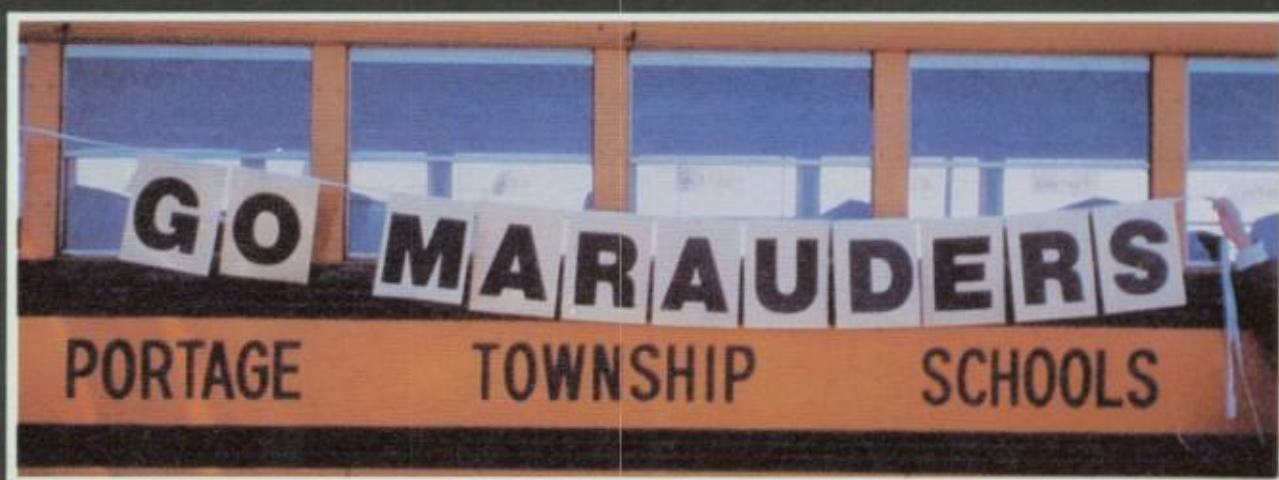

The cross country team prepares for the state meet.

NOBODY DOES IT BETTER

The team scouts competition before the meet.

Marauder spirit is shown by the displayed banner over top-ranked Portage's bus. The Marauders finished fourth to the Portage Indians.

Mike Mundy is caught up in the excitement at state.

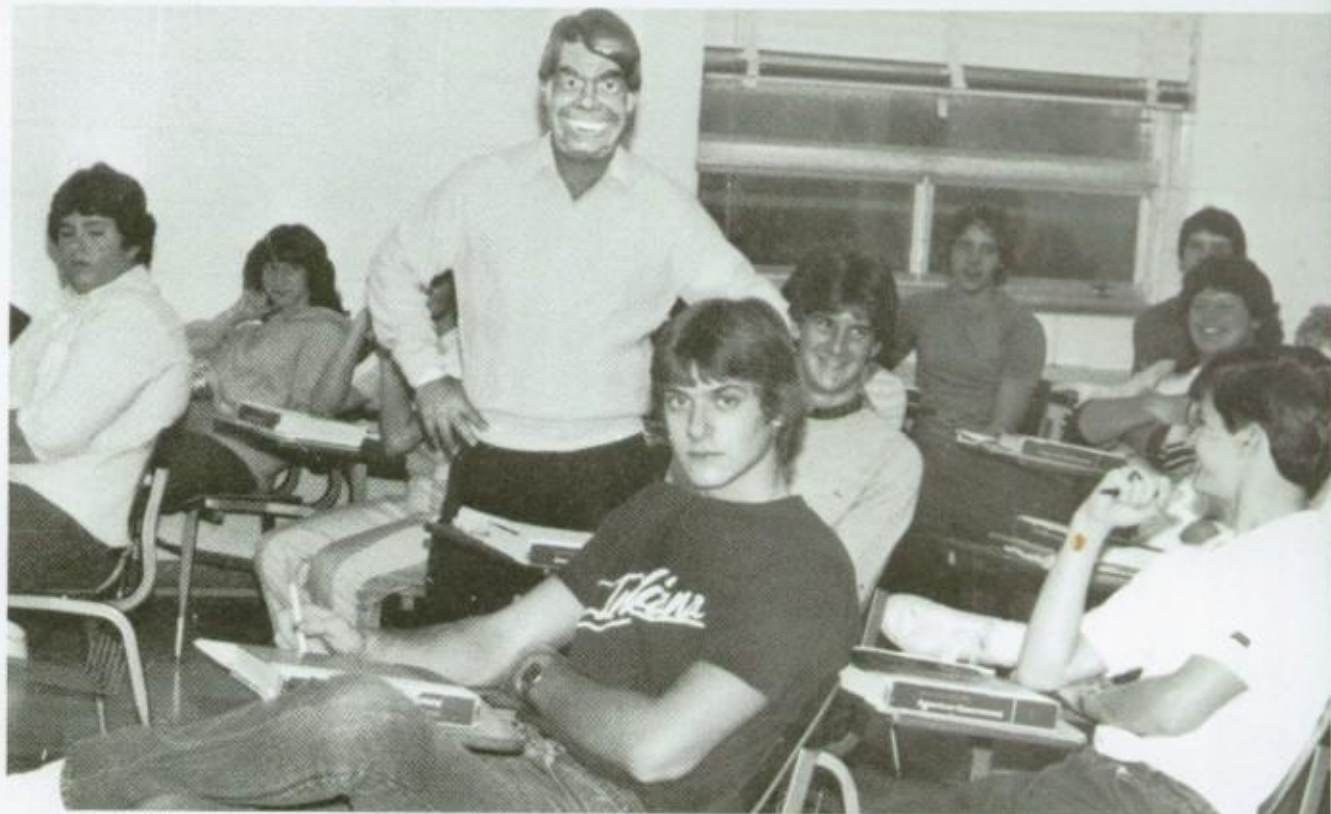

HAPPY DAYS

The everyday routine can get to some people—that means teachers and students alike! These pictures are from some people who seem determined to have fun and change the “everydayness” of our good old Marauder days!! How can anyone not see the humor in them?

Jimmy Carter, alias Mr. Earlywine, visits Kevin Doyle in government class.

The faculty try to prove their superiority over the students while having fun during Homecoming activities.

Steffenie Hurley and Dan Seeman give a “Rebel Yell” for Homecoming.

Marauder mania strikes Mt. Vernon!

Mrs. Simmons grins while waiting for something to do.

Jeff Wheeler waves to his only friend.

A well-known runner gets his car decorated for best wishes at state.

BROADWAY BABIES

Under the direction of Becky Leonard and Debbie Schneck, the 1984 musical was pulled off in a professional fashion. The musical, *Li'l Abner*, starring Brian Summitt as "Abner" and Jera Lee as the spunky "Daisy Mae," brought standing ovations from the audience on both nights of its showing. Fine performances by Jamie Robbins and Tony Wilson added depth to a supporting cast of over 30 students. The musical brought rave reviews from long-time followers of the Mt. Vernon High School Drama Department. One member of the audience commented "This is one of the best musicals that I've ever seen. It was very enjoyable!"

Scott Walsh plays the part of a handyman.

The Yokums explain the facts of life to their son Li'l Abner.

Jera Lee and Brian Summitt star in lead roles of the 1984 musical.

DANCE HALL DAYS

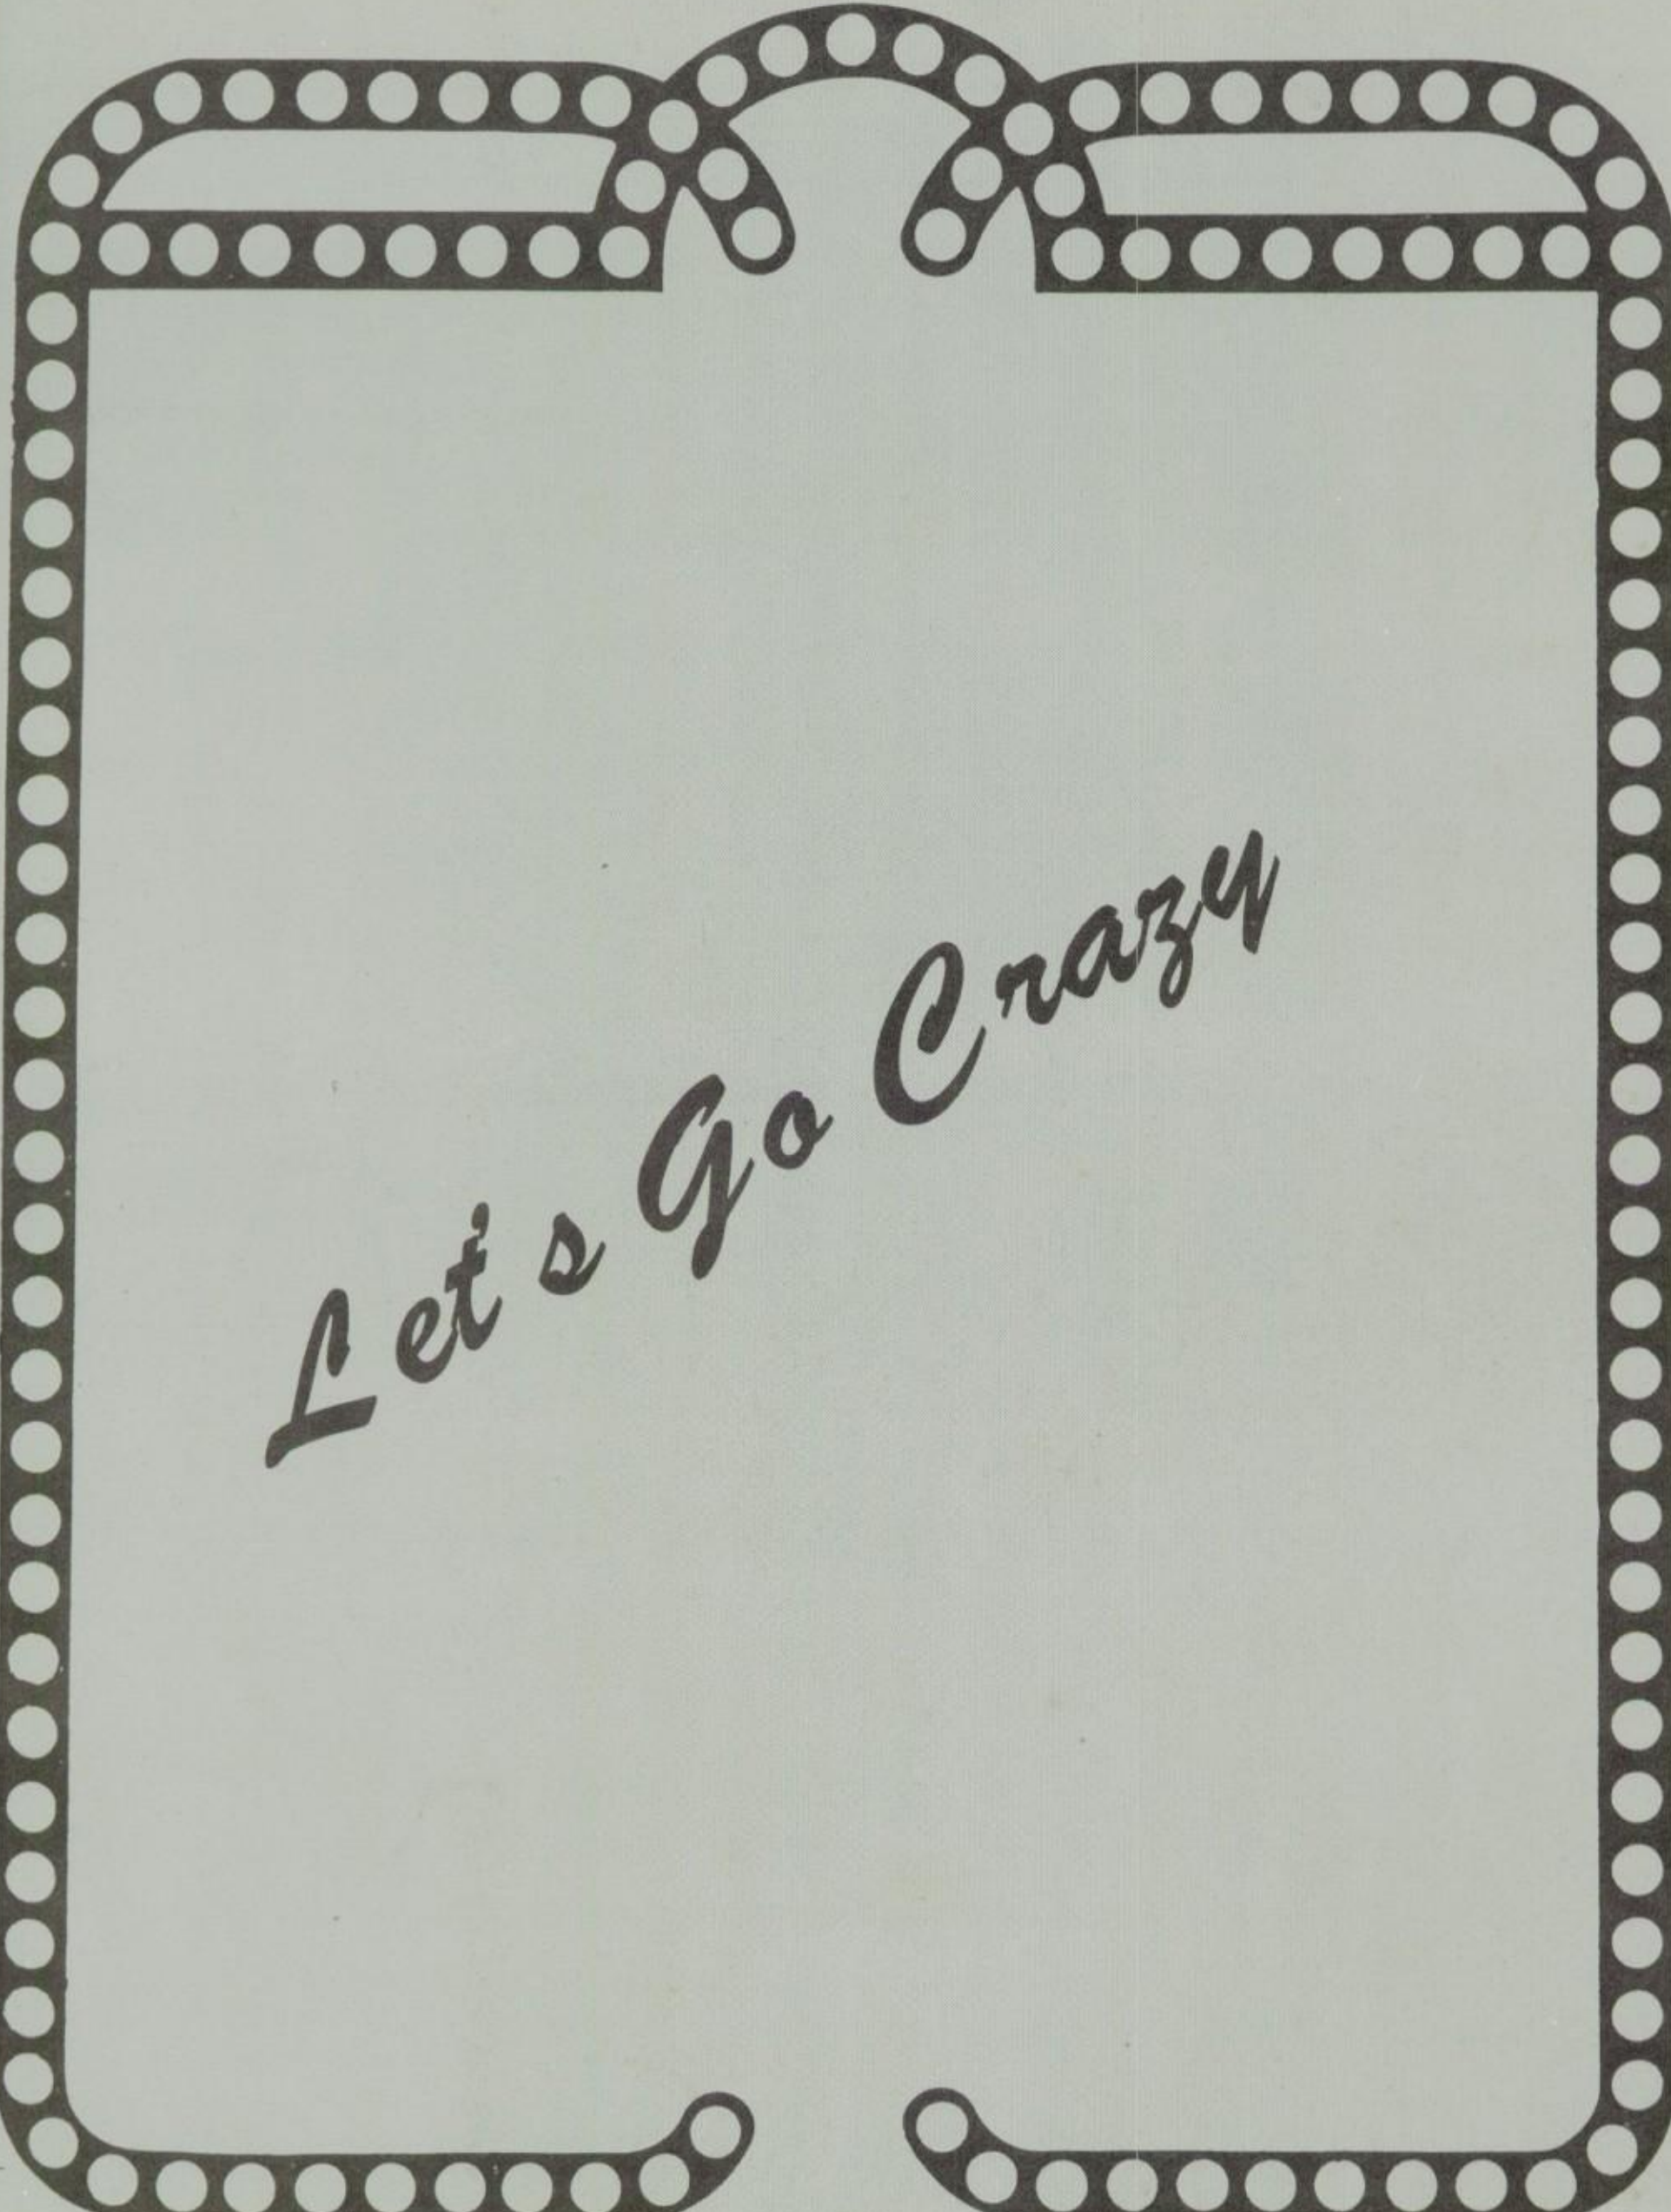

The annual Snow Whirl is held and sponsored by the Sunshine Society. Each year the members, assisted by Mrs. Stadler, put aside their busy schedule to plan an exciting and eventful night. The theme was "A Walk in the Park." A well-planned dance provided an atmosphere of romance for everyone.

The senior members of the court were the following: Vernee Vail; Tina Bricker, the queen; and Tracy Henry.

Doug True, Lori Stommel, Wendy Wyatt, and David Heitman pose and smile for the camera.

Tina Bricker gives a big grin as Snow Whirl Queen.

Let's Go Crazy

SELF CONTROL

Is this allowed at school?

A very different kind of day for all involved.

Nick Lewin and Shari Clark declare victory as the two frogs wonder what happened!

FUN FUN FUN!!!

This year's Homecoming activities included a carrot-in-the-jar contest, a skit performed by the Student Council, and a kiss-a-pig contest the night of the game. The game was set back a week because of the girls' regional that night. The Marauders were victorious over Brownsburg, and the evening was topped off by the annual dance sponsored by the Yearbook Staff and Student Council.

David Brooks and a future prom date????

Steve Heavyside seeks a new love.

Roll out the red carpet!

Wheels Keep on Turning

Besides girls, the car seems to rate very high in a man's interest. The car seems to reflect one's personal life style. Lu Wiefeling states this about guys' attitudes toward their cars: "I just wish guys would pay more attention to me instead of their cars." Dawn Bruner's opinion is slightly different: "I wish the guy would keep his hands on the stick shift instead of me." So all you guys out there might give this some thought.

Matt Tucker shows off his El Camino.

Mike Adkins, Kim Strecker, and Lori Scott enhance the beauty of Mike's Corvette.

Khris Hale, Scott Earlywine, and Dan Justus stop just long enough to have their picture taken in Khris's Oldsmobile.

Alan Alford shows how to "hang out" with his Duster.

We Got the Looks

(Top left) Jody Slinkard helps out the baggy look with her outfit.

(Bottom left) Mark Lewin shows off the new look for guys.

(Top) The preppy look is still in as shown by Wendy Wyatt.

(Center) The new fad in jeans was worn by many people this year. Amy Day was one of them.

(Right) Amy Tracy glows with the latest fads.

Fashion changed somewhat this year. The casual look of 1985 seemed to overtake the punk-out look of '84.

The 1985 spring play went off without a flaw. The Drama department of Mt. Vernon High School presented the comedy-horror spoof "I Was a Teenage Dracula." The play was presented by the Drama Department under direction of Mrs. Leonard. Greg Hemsley was the student director. The star roles were played by Mark Harting, Jennifer Anderson, and Dana Kellam.

Spring play cast members pose for a "family" portrait.

Brian Davis should worry more about what's behind him than what's in the bowl!

Mrs. Leonard prepares Dana Kellam for opening night as she cuts off her hair.

PUTTIN' ON THE HITS

Barb Stevens attempts to fly from the scaffold.

Robert Adams consoles Jera Lee after she broke a fingernail.

The cast members attempt to set Herman free (whatever Herman is).

(Right) Dan Seeman and Peter Fleck get stuck at the end of a picture.

JUKE BOX MEMORIES

The wild side came out in everyone at extravaganza!

The beat does go on!

Chris Spangler and Tina Bricker take the audience for a stroll down memory lane as they make the crowd remember the different styles and types of music.

A big part of Mt. Vernon is tradition, and what would the end of the year be without Extravaganza? There were sighs of pleasure when the band played songs by Elvis Presley, Jim Croce, and many other famous names. Of course, the evening would not have been complete without the traditional playing of "The Battle Hymn of the Republic"-always a tear jerker! The 1985 Extravaganza was definitely one to remember along with those fond "Juke Box Memories"!!!!

The pom-pom girls absolutely glow-in the dark, that is!

The very talented flute section shows off their talents for their state-bound efforts.

To end the show the girls danced to "He Blinded Me With Science."

There is always a type of mystical magic surrounding prom—the music, the romance, and the soft whisperings of that special someone. This year's prom was held at Atkinson Hotel in downtown Indianapolis. All of the memories that were given to the Seniors this year were the hard work of the Junior class members and the dedication of their parents. After the dance there was still more to come! The casino and the different games kept all busy up till the special part of the night: the hypnotist and the auction. Everyone in attendance will always remember the interesting sight of Scott Walsh's dog, Tony Wilson's "hot seat," and Jeff Wheeler's imitation of a leaning tower! It was definitely weird....

MEMORIES

Graduation ceremonies began at 2:30 P.M. on Sunday, June 2, 1985. Almost 180 Seniors walked out to receive diplomas. For some it was a sad ending, and for others it was an exciting beginning. The main speaker was Delonda Hartmann, a speech and drama coach in Muncie. Brief speeches were also given by Greg Donoho and Mike Branson, valedictorian and salutatorian of the Senior Class. The band and choir also performed and Angela Branigin sang "You'll Never Walk Alone."

History In The Making

The 1984-85 school year was filled with many exciting events which affected our everyday lives. It has included everything from a baboon heart transplant to a woman running for vice-president. When asked about the most important occurrences of the year, Cheryl Box, Kevin Doyle, and Beth Holder responded in this way:

Beth Holder remembers many things which happened during the year, but these three events were the most memorable:

1. The first woman ever to run for vice-president on a main party ticket: Gearaldine Ferraro ran with Democratic Presidential candidate Walter Mondale.
2. The first transplant of a baboon's heart into a little baby girl that caused major controversy in the field of science and religion.
3. President Ronald Reagan was re-elected by the largest electoral vote in history.

Throughout the 1984-85 school year there were many popular songs, but Cheryl Box has limited them to her ten favorites;

1. "WE ARE THE WORLD"-U.S.A. FOR AFRICA
2. "I CAN'T FIGHT THIS FEELING"-REO SPEEDWAGON
3. "LET'S GO CRAZY"-PRINCE
4. "WILD BOYS"-DURAN DURAN
5. "DANCING IN THE DARK"-BRUCE SPRINGSTEEN
6. "PURPLE RAIN"-PRINCE
7. "PENNY LOVER"-LIONEL RICHIE
8. "CARELESS WHISPER"-WHAM!
9. "LIKE A VIRGIN"-MADONNA
10. "I CAN'T DRIVE 55"-SAMMY HAGAR

Kevin Doyle felt that the top five movies throughout the year were as follows: 1. BEVERLY HILLS COP
2. PURPLE RAIN
3. JOHNNY DANGEROUSLY
4. ALL OF ME
5. WITNESS

This year brought about many critical issues: some that brought meaning to our lives and really touched us, and some that we would rather forget. All across the nation people were soon humming the familiar tune "We Are the World." Forty-five of the greatest song artists of this era were brought together to sing this glorious inspirational song to raise money for the starving Africans in Etheopia..... This year started out with the Democratic candidates: Walter Mondale, Gary Hart, Jesse Jackson, and John Glenn. The final result pitted Mondale against President Reagan which resulted in the biggest electoral slaughter in history. What will be next? One can only hope that it will be for the best of mankind.....

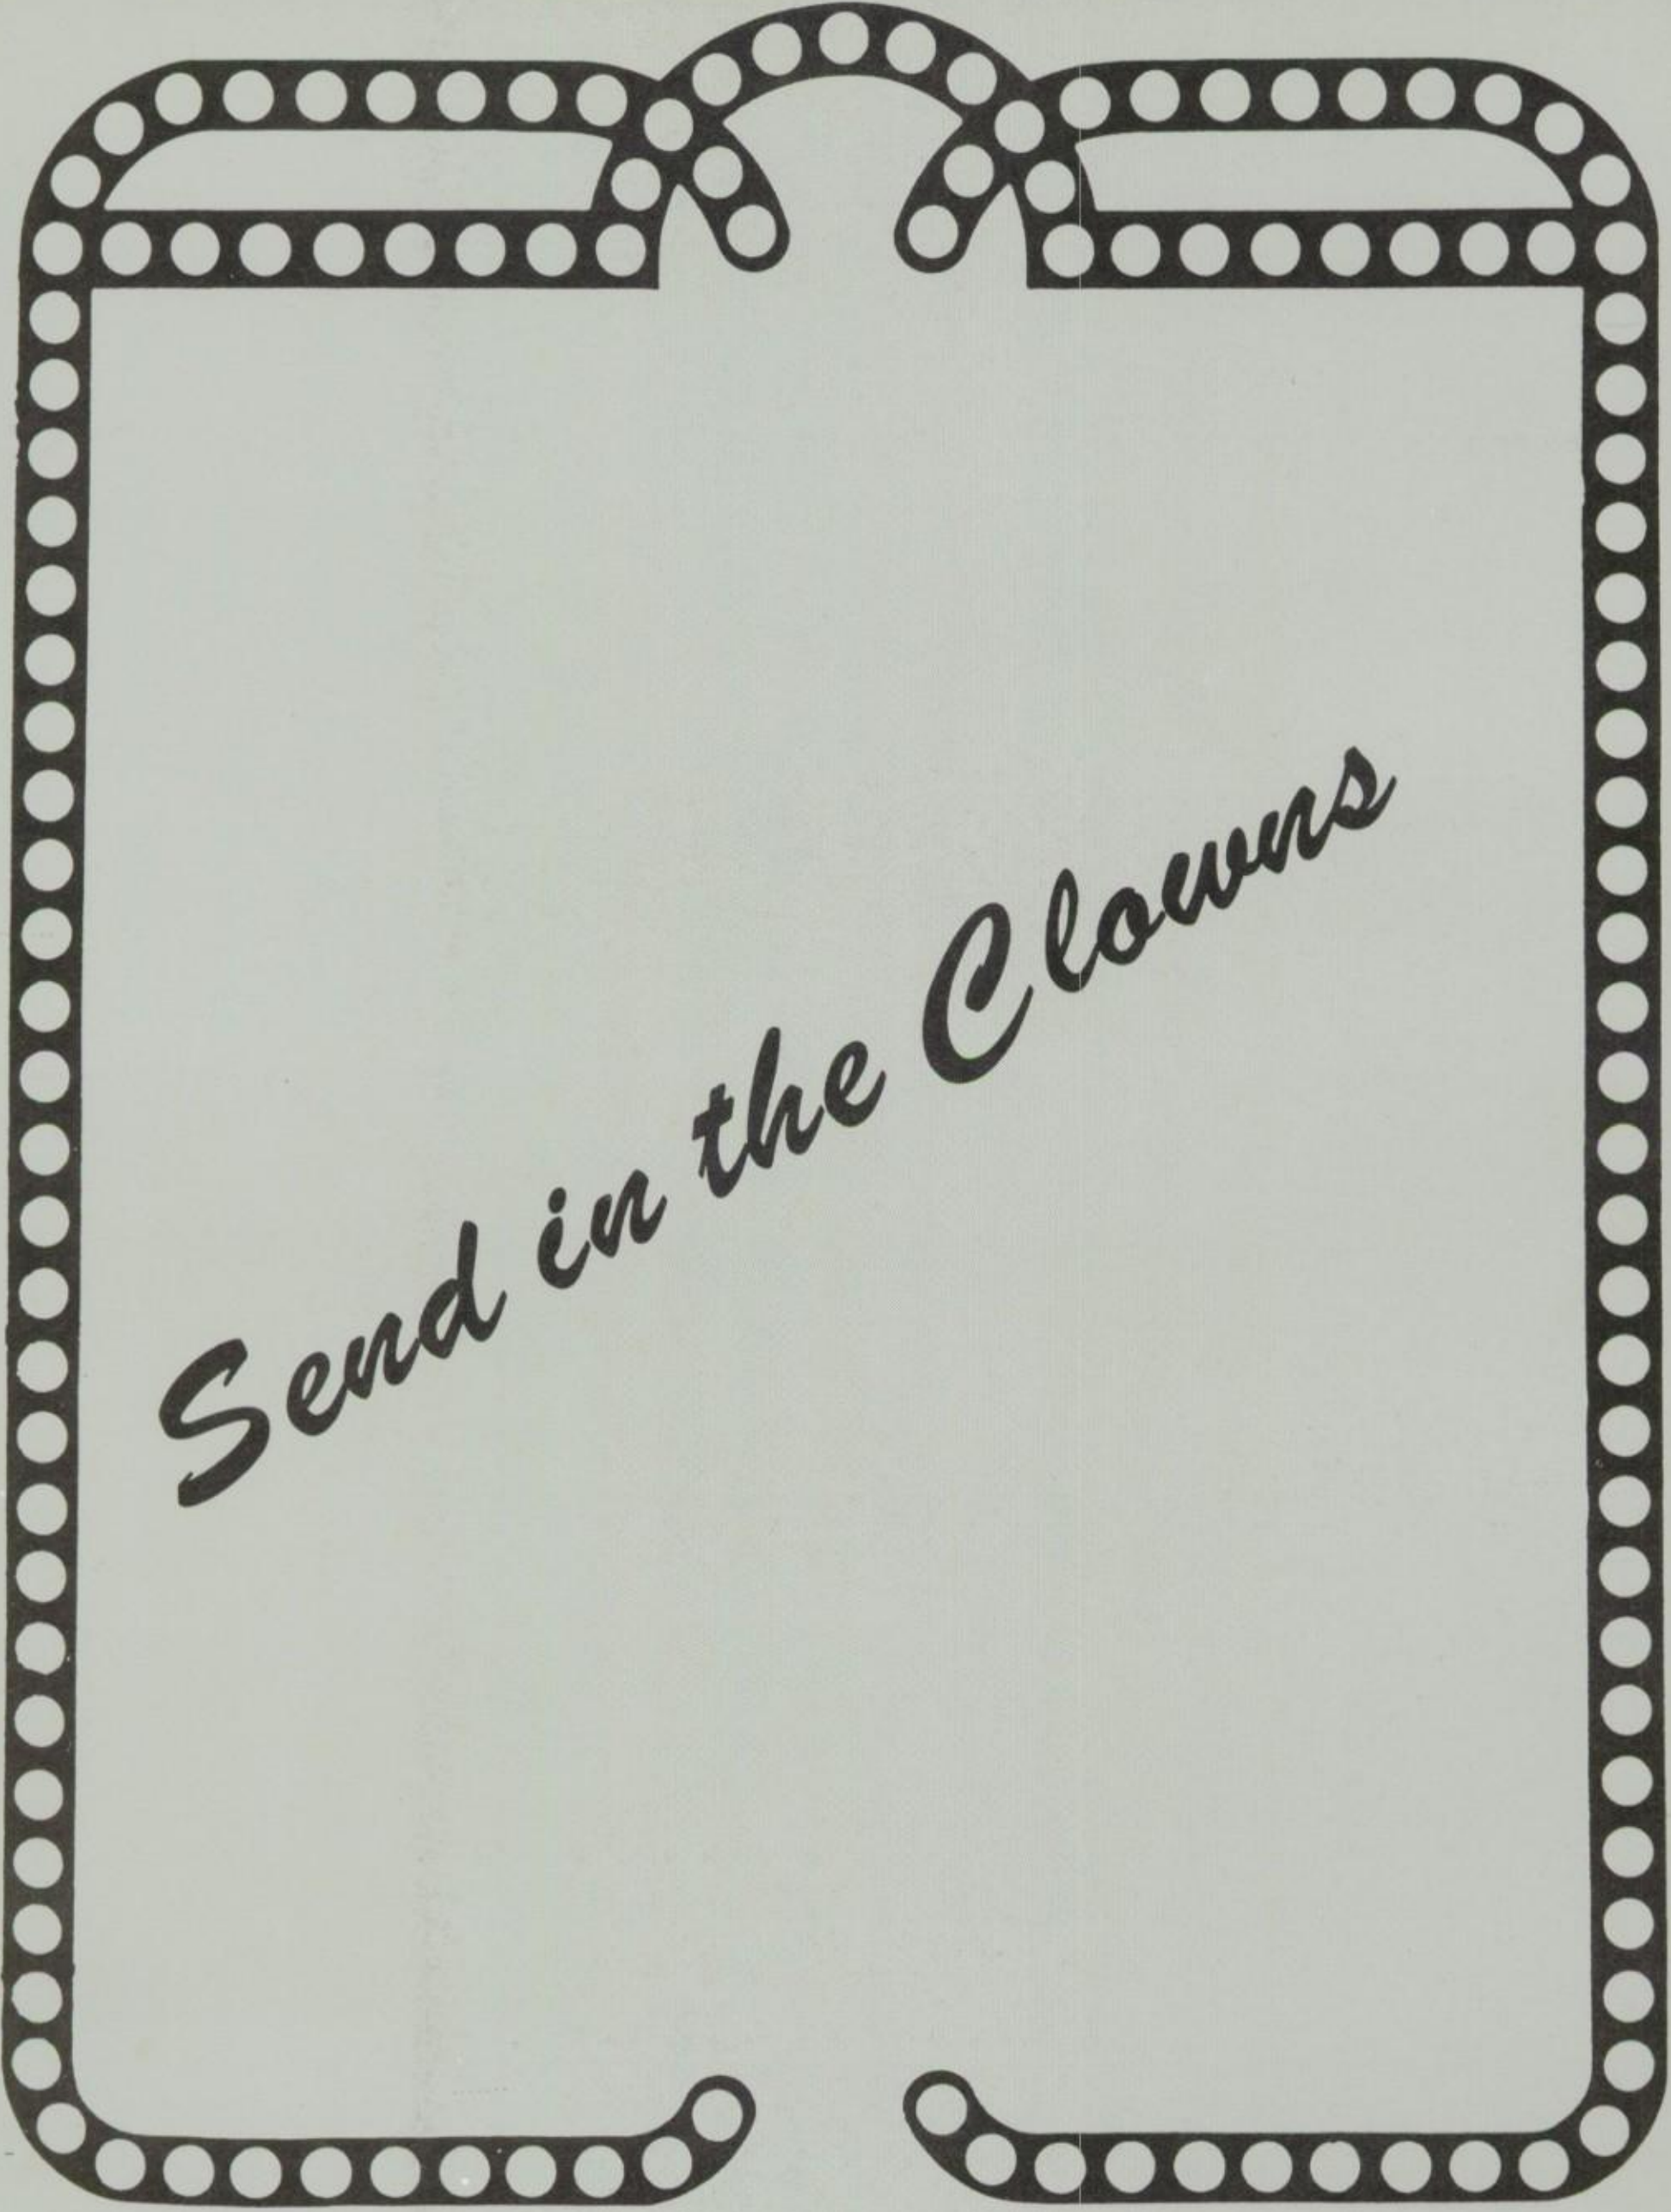

MARAUDER EXCELLENCE

This year at the state convention many of the girls in the Future Homemakers of America club at our school attended the state convention. Although many of the girls received first ratings, one of them definitely stood out! Melissa Schwartz was chosen as the State President!! Not only is this an honor, but it's also a big accomplishment. Congratulations and best of luck to you!!!

As usual, Mr. Kendall had an outstanding year as a coach. For the first time in years, his track team scored points in the state meet. Coach Kendall is a good coach-he'll even tell you that-but maybe he won't tell you that he was nominated for Coach of the Year in cross country. This year three of his track team members went to state: Mike Mundy in the 1600, Bret Neylon in the 3200, and Jeff Wheeler in the 3200. The points came when Jeff placed third, edging out a tough Carmel competitor-Andy Foster. Not to be out-done by the boys, the girls' track team had two members of its own go to state. Nancy Cowan went in the 800, and Misty Nichols went to throw the shot put. Coach Casper-this was just her first year, too!- was very impressed with them, and said that although they didn't place, they each had met their goal and done their best. Congratulations to both coaches and to the athletes: NICE JOB!!!!!!

The OEA club at Mt. Vernon is definitely on the move. The girls participated in various contests such as;typing, keyboarding, word processing, and filing. The competition was very hard and schools came from all over the state. Many of the girls placed, but, again, one stood out. Andrea Gray, a junior, not only placed first, but got to go onto Nationals. The next phase of competition took place in Texas. Andrea there took fourth place in the nation in her division and category. Mrs. Cochran, her sponsor, accompanied her on the trip and was very happy with the placing. WAY TO GO!!!

in sophomore Honors English class Mrs. Sherwood left the room, and so did we. We hid outside her windows to see what she would do. She locked us out, so we sent Sally Letsinger through the window to let us into the room. Mrs. Sherwood never left us alone again.

SENIORITIS

It seems like only yesterday . . .
You were lowly Freshmen "frogs."
The Seniors rolled their eyes and said,
"School's going to the dogs!"

But four short years have slipped away,
Now you're the upper crust,
And you want free . . . so desperately,
That you're about to bust!

We know that you can scarcely wait
For that Sunday coming soon,
We hear you say, "Oh, speed the day;
Stand back and give us room!"

"Just let us out," you almost shout,
"Our high school days are through,
You've kept us cooped up long enough;
Our four-year dream's come true!"

Hey! Hold it! Wait a minute, kids,
We're gonna cut the fence,
But you have some more assignments;
They'll be due some Monday hence.

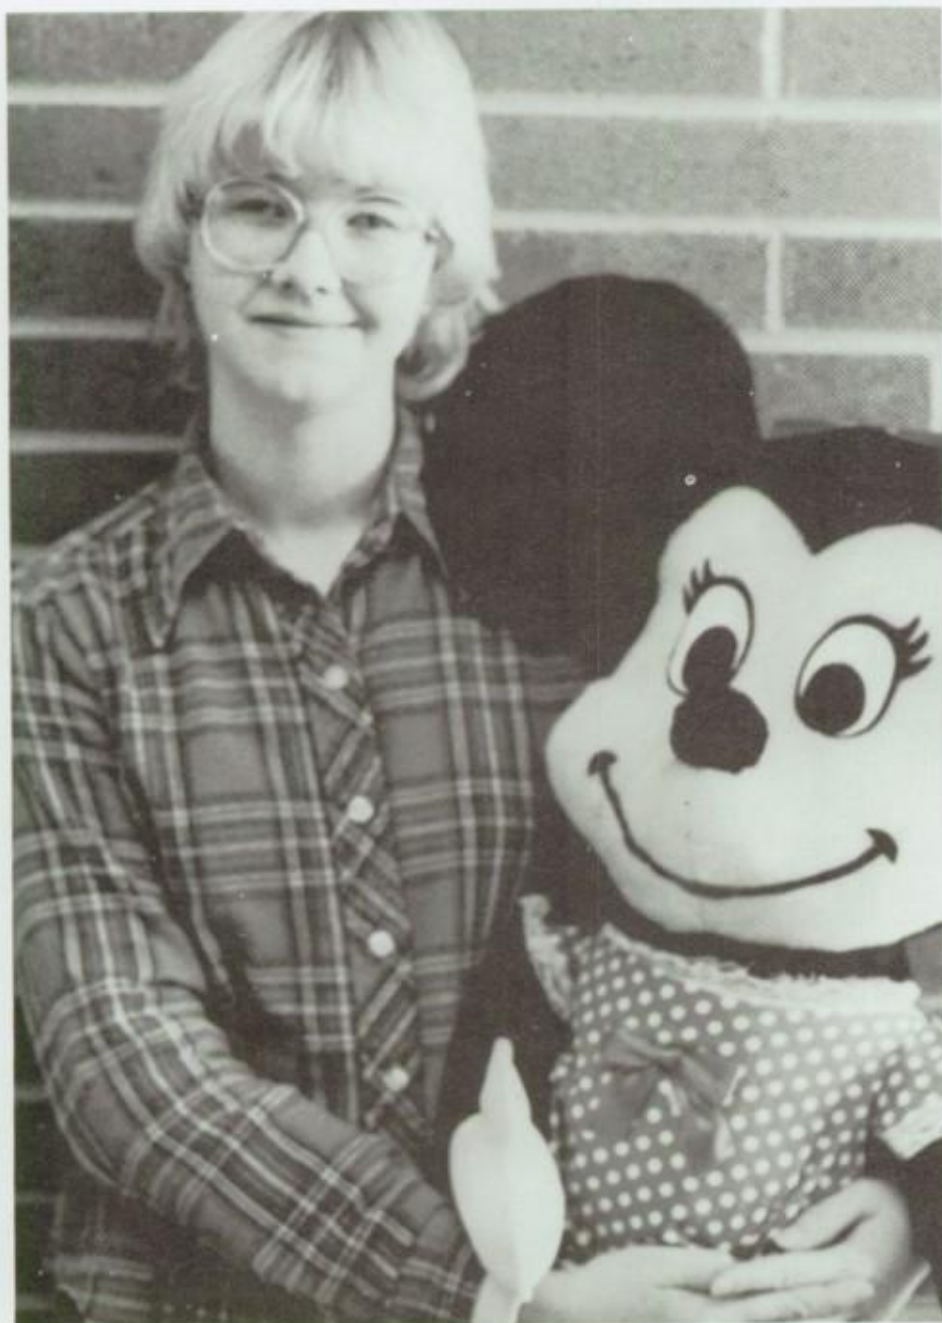

Great books must yet be written,
The dread diseases stilled;
Athletic records broken,
The oval office filled.

Mountains soar, 'till now unclimbed,
And seas uncharted wait;
The restive globe needs calming,
Before it is too late.

We're running out of energy,
And waste pollutes our streams;
The world is too much with us,
We need more time for dreams.

Oh, don't you see? School's never out,
You now must start to do,
The things that we have failed at,
. . . And we've got a bet on you!!

FUN

FUN

FUN

In a recent survey taken by the Mt. Vernon Yearbook Staff, students at Mt. Vernon High School spoke out on what they do for fun. The most common answers were go to movies, cruise, listen to music, and go to school sports and dances. In the movie department "Beverly Hills Cop," starring Eddie Murphy, edged out Michael Keaton and Joe Piscopo's "Johnny Dangerously." The Southside and Greenfield were the hot cruising spots for those who drive. Washington Square Mall was the hang-out for many of the underclassmen. Bruce Springsteen led the way for favorite musical artists or groups, followed by Prince & the Revolution, Billy Idol, Survivor, Van Halen, and Hall & Oates all a close second. A few students were more specific in telling us what they do for fun. Jill Van Osdol laughingly commented, "My boyfriend and I like to stay home and break clothespins." Freshman Marc Amico told us about Cosmos Pizza Parlor in downtown Indianapolis. "I like to go down there and make fun of the punk rockers." For a better view of Mt. Vernon nightlife and students, see the student life section of the Echelon.

CANDIDS

Inside or out, there is always something going on at Mt. Vernon. If it is not playing cards during prep or just sitting around gossiping, it could be playing basketball in the gym or cruisin' the halls. Most students find some entertainment by participating in school clubs or sports. Some look for enjoyment by playing in the school band.

Seniors Greg Hemsley and Michelle Head play cards during prep.

Sounds of Music

The M.V. Band, also named "The Marching Marauders," did very well this year in competition, winning first place in the Middletown Lions Parade, 1st division; Midwest Marching Band Festival, 1st division; and ISSMA Regional Marching Contest, 1st division. The band did all of this plus they went to the City of Festivals Parade in Milwaukee, Wisconsin. The other activities included extravaganza, the Christmas program, and commencement. Band members worked hard for their achievements. They spent one blistering week during summer to get ready for the school year. The men behind the band were Tom Stadler and John Gerig. A very important part of the band were the pom-pon girls who were the "visual aids." The two performed very well at football and basketball games, as well as the other functions. Libby Gipson was responsible for the pom-pon girls and their direction.

This year the choir studied many types of music such as pop and classical. The winter concert was very successful as the choir performed classical songs by Handel and a variety of traditional Christmas music. The choir studies notes, time signatures, and rhythms. The instructor is Ms. Deb Schneck. She tries to make the students understand the music and all that goes into it, rather than just what it sounds like! Believe it or not, singing is not as easy as it sounds. The choir has to train their voices to do exactly what they are supposed to do. It's a lot of hard work! This year seven people from choir attended the district singing competition at Pendleton High School. Out of the seven people, four went to State, which was held at Butler University in February. Hopefully next year they will have just as much fun and be just as successful.

Love in the Afternoon

Married life, now in its second year, has proven to be an educational experience as well as fun for the students participating. This year the class performed a mock wedding between Missy Minch and Donnie Box. Tuxedos were rented for the guys while the girls were decked out in long gowns and lace. Mrs. Ewing teaches married life, foods, and clothing.

Mt. Vernon High School may not have led the way in computer courses, but it has definitely proven it has caught up with the competition. The school now offers courses to all classes. The students are able to work with the computers, writing and debugging their own programs. The courses are taught by Mr. Dooley and Mrs. Simmons.

At one time or another, a student finds it necessary to type a term paper or know the right procedure of making business calls. Many of Mt. Mt. Vernon High School students have many opportunities to receive the fulfillment of seven math courses to complete their mathematical education. Each sophomore, junior, and senior is required to take one year of math, whereas the Freshmen are required to take two years. There is a large selection of teachers, including Mrs. Beaver, Mr. Beeson, Mr. Wilson, Mrs. Searcy, and Mrs. Sheets.

Sophomores, required to take one semester of health, learned how to identify various bones, organs, and how the human body works. They also learned how to give CPR in a life or death situation. Driver's education classes, required for Freshmen one nine-weeks, deal with ordinary driving situations. Students learn various parts of the car, as well as what must be done to keep a car in good running condition. During the summer, students actually experience driving, beginning in the high school parking lot and eventually venturing to downtown Indianapolis.

Creativity plays a major part in the aesthetic value of Mt. Vernon High School. Students learn about design, ceramics, painting, drawing, and other basic art fundamentals. Keeping the school in an orderly manner is the job of the administration. Mr. Thomas, the principal, heads this department. Vice-principal Mr. Johnson has the job of student discipline and aiding Mr. Thomas with the larger problems. Mrs. Sharp is in charge of the office's front desk where she holds the responsibility of the school's finances. Mrs. Oldfather and Mr. Whybrew, the school's guidance counselors, help students with scheduling on a one-on-one basis. They also provide Seniors with information on colleges. Athletic director Mr. Oden writes up sports schedules and assists in setting up sports equipment at the sporting events. Mrs. Bills is an office aide and does any odd jobs that need to be done such as typing up the announcements, running dittos off for the students, and running the bookstore. Mrs. Literal is in charge of the attendance and holding the Guidance Department together. Mrs. Callan is in charge of the class ranking, and the class grades. This year's soccer team finished the season with a record of 5 wins and 5 losses. This was the first year for soccer as a varsity sport. Bill Estes, who was later named Marauder of the Year, was the leading scorer with 10 goals and 4 assists. Although the team had a disappointing finish, they had success for a first year team that is very young. The team's leading scorers were Bill Estes, Tim Cox and Scott Summers. Also, Scott Woodworth assisted with great goalkeeping and a 2.5 goals against average. First year Coach Bernie Campbell can look forward to next year with a great deal of enthusiasm due to the fact that fifteen of the twenty-two players will return for the 85-86 season.

Breaking Away

As you can see, the cross country team has had a terrific season. The placing that they always come up with never surprises anyone, least of all their coach, Mr. Kendall. This year's team was very experienced with seven seniors: Bob Coffey, Daren Cox, David Griffith, Joe McIntyre, Bret Neylon, Steve True, and Jeff Wheeler. Not only was the team heavy with seniors, but it had underclassmen with much experience. Once again the team made it to state with a brilliant finish as a team-fourth place. No one could ask for more!

You are now looking at the first cross country team in the history of Mt. Vernon to place first at semi-state. These seven harriers made it happen! "You can tell they're a team-none of them match!" joked Coach Kendall. Comin' at Ya

Although the volleyball team didn't have as a successful year as last year, the season wasn't a total loss. The varsity team finished the season with a record of 6-10. A few of the victories came against such formidable opponents as Connersville, New Castle, and New Palestine. The reserves finished the season 8-10. The Most Improved Award went to Julie Alexander, and Nancy Cowan won the Marauder of the Year.

Wimbledon '84

This year's tennis team consisted of many changes. Only nine players from last year's squad returned. First-year coach Bernie Campbell stumbled into practice not knowing what to expect. Brian Tatay won the sectionals singles title and Marauder of the Year. Mike Wherry was named the Most Improved, and Kevin Doyle won the Mental Attitude Award.

The Deep

The Marauder swimmers had a season record of 3-9. The three wins came from defeating Chatard, Centerville, and Indian Creek. The team had a lot of leadership from three seniors: DeeAnn Holland, Teresa Dickerson, and Lisa Jenkins who was also named Marauder of the Year. The team can have high hopes for next year with a strong backbone of returning underclassmen.

This year's boys' swim team finished the year with a record of 6 wins and 4 losses. They finished 3rd in the Beech Grove Invitational and 5th at sectionals. The team was led by senior Bryon Stommel. Bryon set a school record in the 50 yard freestyle of 23:46. He was also a member of the 400 yard freestyle relay team that set a school record of 3:35.20. Tooth and Nail

Our Marauder wrestlers had a big improvement over last year. They raised their record to a winning record of 9-8-1. This year the wrestlers finished third in the sectionals and had three sectional champs (Alan Alford, Dan Justus, and Eric Gordon) and had Matt Kennedy advance to semi-state. They also placed third at the New Palestine Invitational (Matt Kennedy, Charles Hubler, and Dan Justus won).

Fast Break

This year the Lady Marauders' record was 13-6 heading into the Greenfield Regional. In order to do this, they had to defeat Eastern Hancock and Greenfield Central to gain the sectional crown. Also during the season, the girls defeated state-ranked North Central and Kokomo, and opened the season with a victory over an always-tough Anderson squad. Candy Kleine and Nancy Cowan shared honors for the Marauder of the Year.

U.S. Open

This was the first year for Coach Lisa Hale. She was not exactly what the girls had expected, and one of the girls jokingly said, "We did more running than the girls track team!" That could very well be true, as Miss Hale firmly believed that conditioning was the only way to go. Although the team had a disappointing season, and the team had a few problems, they stuck it out to the end. All of the girls gave it a Marauder try, and that's what counts! The Marauder of the Year went to Beth Morton.

Catch 22

The baseball team had a disappointing season. The effort was given, but the victories didn't fall into place. Marauders of the Year were Kevin Grandstaff and Greg Werner. Matt McKeeman was named defensive player of the year, and Tony Long was named the batting champion.

Nancy Cowan shows her guts and determination to win-she does, too!

Coach Sharon Casper had no clue what to expect for her first year as M.V.'s track coach. The team came a long way from the first days of yelling "Physche!" into a baton for good luck. Many qualified for sectionals: Nancy Cowan in the 800 , Michelle Harmon in the 100, Kathy Hancock in the 400 , Shellie Scott in the high jump, Misty Nichols in the shot put, and the 1600 meter relay team- Julie Alexander, Nancy Cowan, Kathy Hancock, and Shellie Scott. Regionals saw Nancy run the 800, Misty throw the shot, Michelle Harmon the 100, and the 1600 meter relay team. At the state level only two girls were left: Nancy and Misty. Both of the girls did their personal best. The Marauder of the Year went to Nancy Cowan.

Krysty Parker toughs it out at practice.

You've Got Me Runnin'

The boy's track team, under the direction of Coach Bruce Kendall and assisted by Assistant Coach Steve Redden, had an outstanding year. Records were set by Mike Mundy in the 800 meters, David Griffith in the 1000 meters, Bret Neylon and Jeff Wheeler in the 3200, the two mile relay (Scott Gray, David Griffith, Bret Neylon, and Jeff Wheeler), the distance medly (David Oden, David Heitman, David Griffith, and Bret Neylon), and the sprint relay medly (Mike Smith, Troy Cross, Mike Shelton, and Mike Mundy). The boys' team also had members go to state: Mike Mundy in the 1600 run, Brett Neylon in the 3200 meters, and Jeff Wheeler who placed 3rd in the 3200. Jeff was also named the Marauder of the Year.

Foul Play

This year's softball team suffered a losing season of 2 wins against 9 losses. According to Coach Earlywine the team had a tremendous amount of improvement from the beginning of the season to the end, especially in pitching and hitting. The team was hurt by the loss of experienced players during the season and was forced to play several freshmen. The experience that they gained will help the team to become much stronger in the future. The team will only lose two seniors to graduation. "Their leadership was a big asset to the team," stated Coach Earlywine. The team should improve because of a fast pitch summer league. Marauder of the year went to Jennifer Waugh.

LEGS

This year the cheerleaders led a very vocal group of students (and occasionally parents) through a variety of cheers. The varsity cheerleaders were assisted by a group of male spirit leaders. This group proved very successful as the football team tied the win-loss record and the boys' basketball team also set a new win-loss record. Also, the reserve cheerleaders led cheers that led to the boys' reserve basketball squad finishing the season with an unblemished 19-0 season. All three squads performed in all sorts of weather conditions and, nevertheless, performed formidably.

WHIZ KIDS

The Office Education Association, headed by Mrs. Cochran, meets once a month. The OEA's main goal is to prepare students to work in the office upon graduation. OEA also takes part in various competitions, such as the District Leadership Conference and Competitive Events Contest. The National Honor Society, sponsored by Mrs. Sheets, consists of Juniors with at least a 90% accumulated average, and Seniors who have at least an 88% average. The purposes of the club are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in Mt. Vernon students. The club's goals include projecting a positive and desirable image of academic excellence in the school.

An American Tragedy

SADD tries to promote a better attitude toward drinking and driving by attempting to promote a positive peer-pressure group and attempt to eliminate driving drunk. This year a SADD board of directors was added. Student Staff works with the guidance office, faculty, and students. Each staff member tutors, collects attendance, and delivers messages. Student Staff is responsible for the Big Brother/Big Sister Program, new student orientation, and Freshman Orientation. A weekend retreat is the social highpoint of the program. Each member must have been nominated by a faculty member and then selected.

You Are My Sunshine

The Sunshine Society's main purpose is to serve others. This is accomplished throughout the year by the distribution of Thanksgiving baskets to the needy, Christmas presents to the Mental Health Association, and an annual contribution of \$100.00 to Riley Hospital. The main event of the year is Snow Whirl. Mt. Vernon's SSS hosted the 1984 District Convention. Another high point in the year for SSS is the Ideal Lady Tea where each girl reveals to her Ideal Lady her identity. The Student Council is made up of 24 students. The purpose of the council is to promote with the students a sense of pride, ownership, and school spirit towards Mt. Vernon High School. It also acts as a representative of the students, giving them a voice in the operations of the school that affects students. The council's major contributions come during winter and fall homecoming. It sponsors dances, gives convocations, and does community projects throughout the year. Meetings are held twice a month.

Call of the Wild

The Marauder Maniacs, sponsored by Mrs. Bills, supply the spirit given at athletic contests. The club's main goal is to have a 120-member card section. One colored card is placed under each seat. At a certain point in the contest these cards are held up to spell out an encouraging word to the team. For the second year the Maniacs purchased corsages for the basketball players' mothers for sectionals. The Letter Club recognizes those M.V. students who excel in sporting events. The goal is to make available a place for all letter winners to meet and become better acquainted. The club works with the Adult Athletic Boosters Club to raise money for the Mark Bordenkecker Scholarship, which is given annually. Mr. Oden sponsors the club.

Working for the Weekend

The FFA was developed for students studying vocational agriculture to help to promote leadership, citizenship, and cooperation. The meetings are held year round. The school's chapter has been among the top 36 chapter rankings in the state since 1963. It has received many leadership contest awards. Future Homemakers of America helps members assume their roles in society through the home, strives to encourage interest in home economics and encourage and strengthen family and community life and service, and promotes personal growth. Trading Places

Campus Life members meet to discuss common problems and experiences and learn about Christ. During the school year the club had an all-night rollerthon, worked at the haunted house on the State Fairgrounds, and went to Florida over spring break. These activities also involved students from other schools all over the Indianapolis area. By themselves, the club plays wiffleball, volleyball, sports. The Drama Club provides entertainment for the students and community. This year the club presented "I Was a Teenage Dracula." Starring in the play were Mark Harting and Jennifer Anderson.

The purpose of the Spanish Club is to promote the appreciation and enjoyment of the Spanish language beyond the classroom through planned activities. These activities are planned and discussed at each monthly meeting, and the goal of the club is simply to have a good time with the various organized activities. Students this year, for example, have enjoyed building two pinatas to celebrate a Mexican Christmas and have dined twice at Chi-Chi's. The purpose of the Latin Club is to have fun and promote an interest in Latin as it lives today. Planning events is one of the main concerns of the Latin Club, and the main goal is to represent MV at the state convention at ISU. One of the many awards the Latin Club has received includes Debbie Barnes for placing 14th in the nation for publicity of the MV Latin Club.

The Future Problem Solvers' Club stresses creative problem solving, logic skills, and communications in solving such topics as drunk driving, nuclear warfare, education, and the greenhouse effect-the 1985 topics. Six FPS teams competed in the state-sponsored activity. Five of those teams ranked in the top ten in the state during the regular season. The teams went on a field trip to Butler University to help train themselves for the state finals. Four teams finally qualified for the state finals held at IUPUI on April 20. This year the Mt. Vernon Orchestra played *L'il Abner*, the Christmas concert and in May took a trip to Chicago to play at the Midwest Festival of Music. To help the famine in Africa that occurred this year, the orchestra performed an "MV for Africa" concert.

Orchestra: (by the wall) Mike Moss, Brian Danielson, Reggie Horner, Steve Heavyside, Bobby West, Debbie Schneck, sponsor; (by the rail) Lisa Horner, Shana Fippen, Susan Heppner, Jera Lee, and Debbie Scrogam.

We Got the Beat

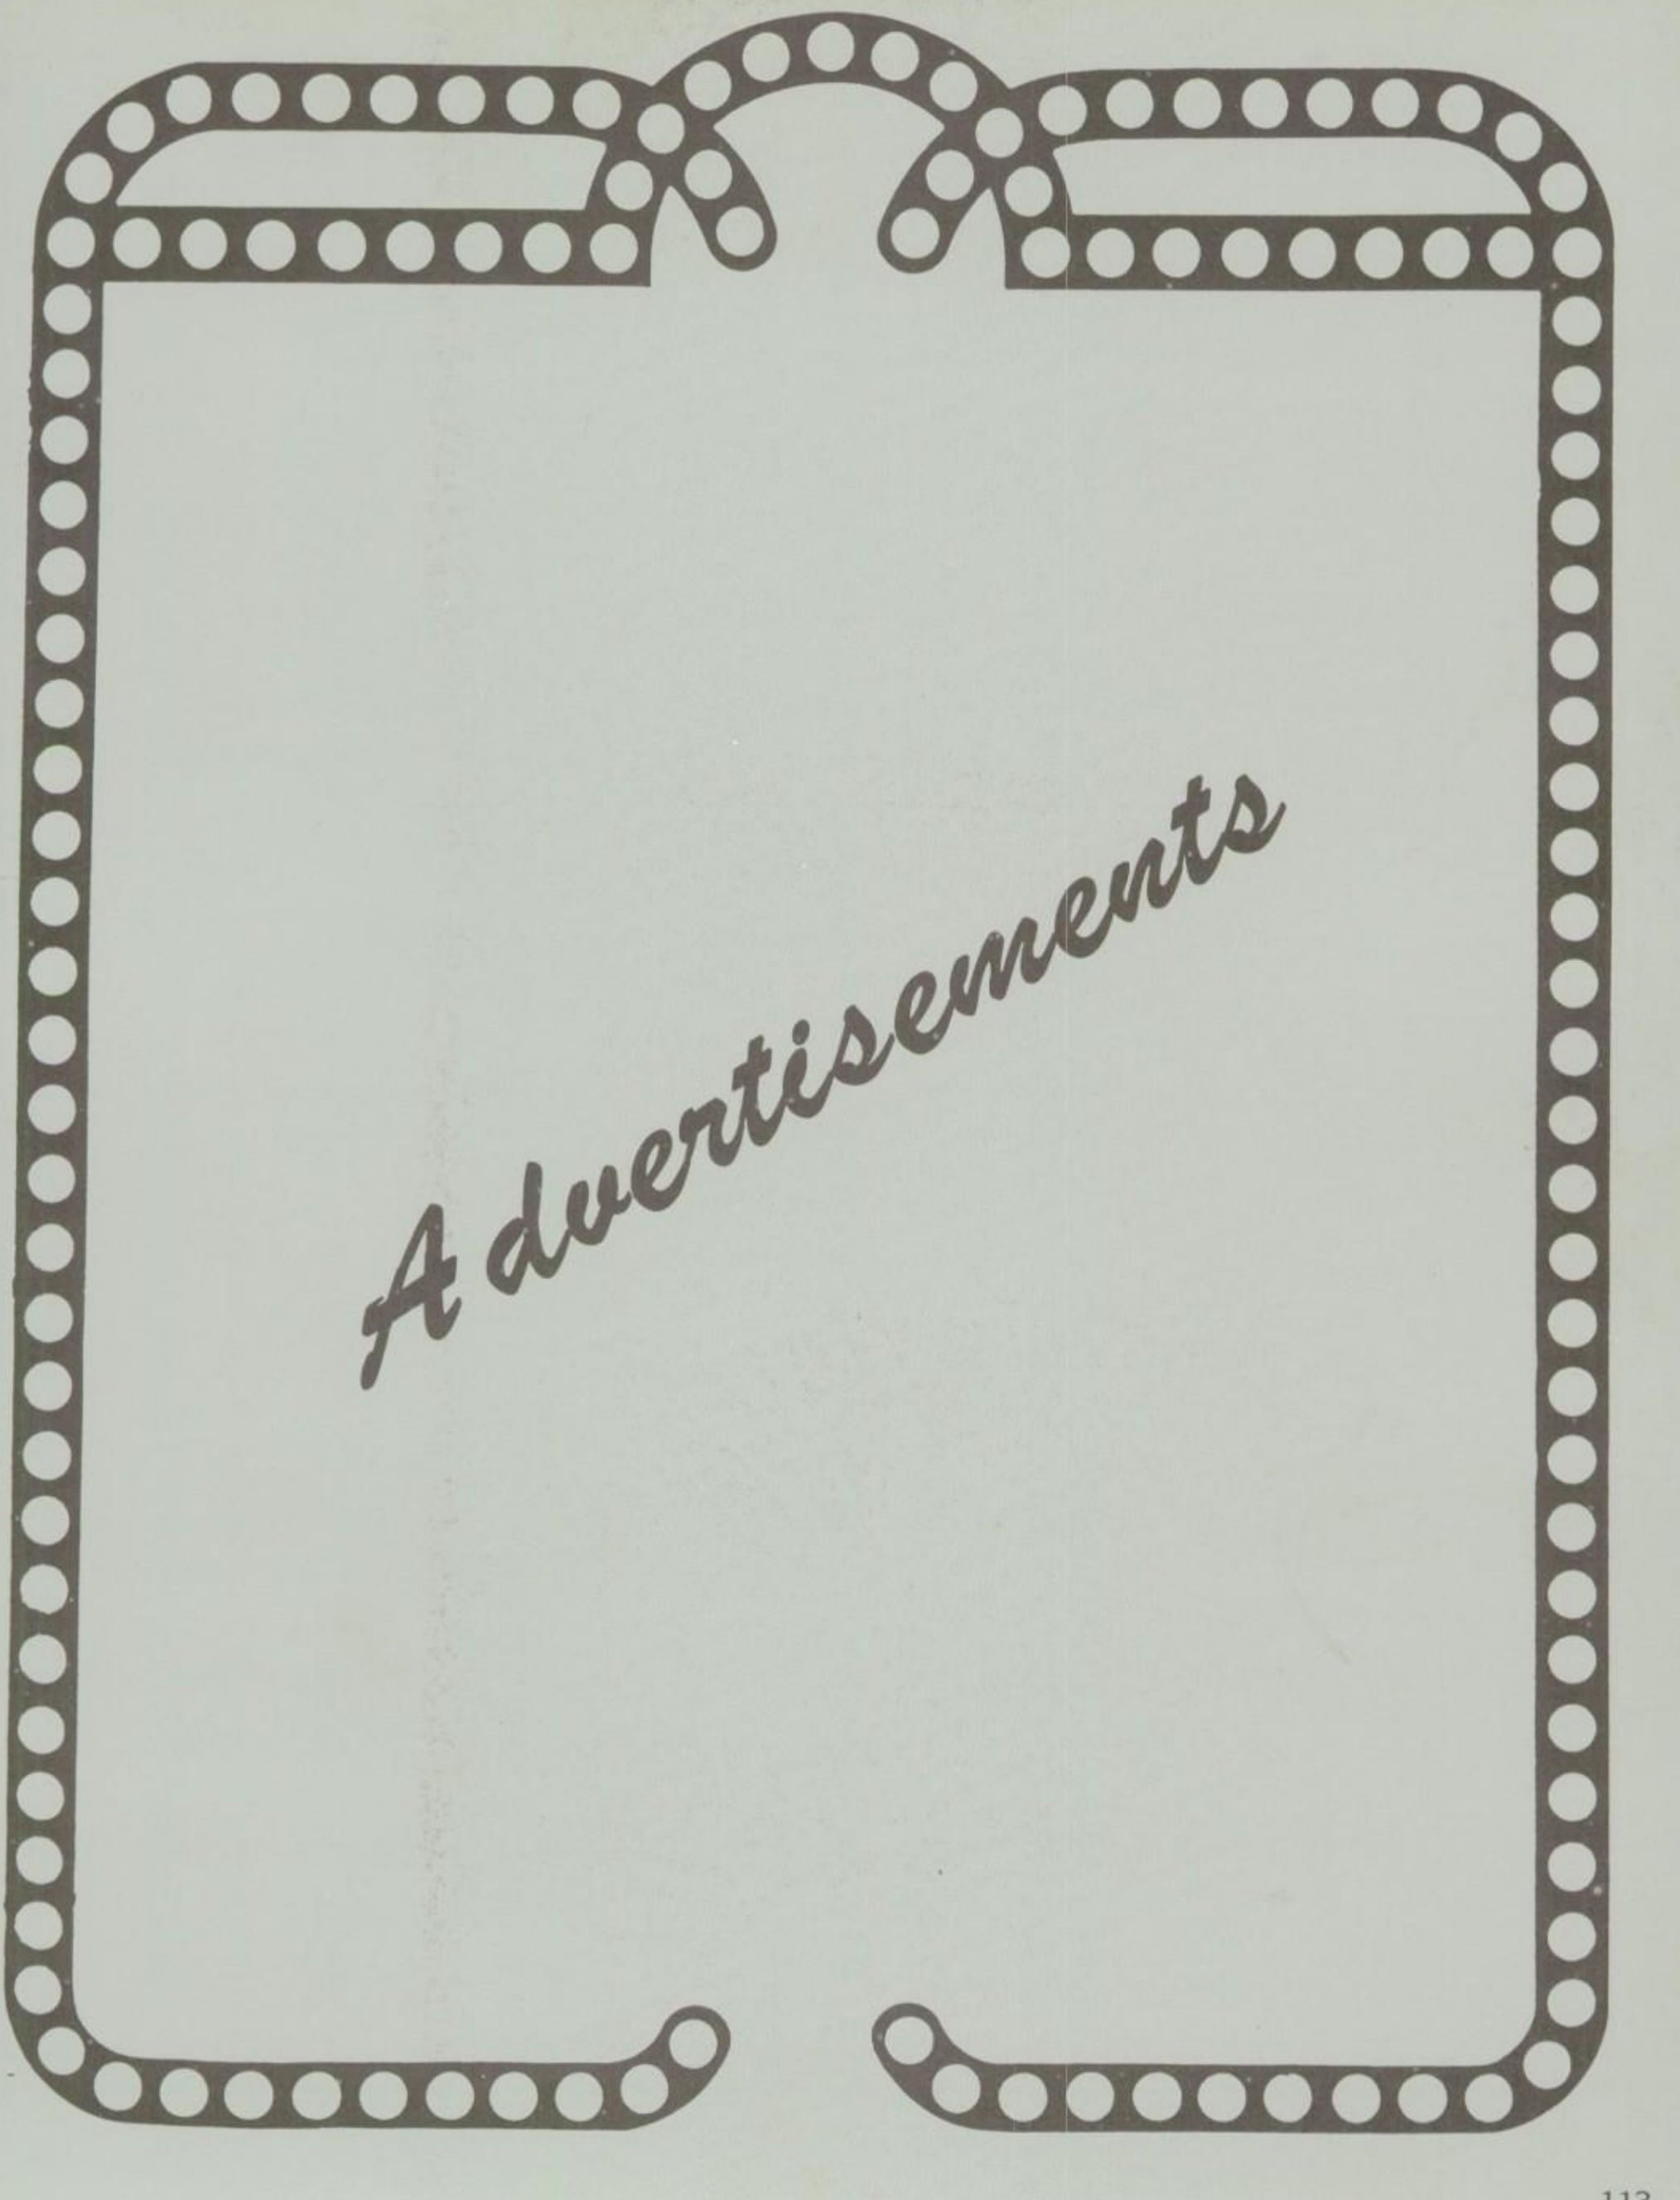

Swing Choir, sponsored by Miss Schneck, performed for banquets, clubs, meetings, and nursing homes as well as the "MV for Africa" concert. The Swing choir also performed at a festival at Kings' Island. Jazz Band headed by Mr. Gerig is different from the marching band in the fact that jazz band specializes in solos and rhythm.

Jazz Band: (top to bottom) Scott Woerner, Brian Beckley, Rudy Nylund, Brian Danielson, Greg Sears, Robin Trittipio, and Mr. Gerig, sponsor.

Sara Leonard, Brian Summitt, and Jera Lee ham it up in the Greenfield Pavilion.

Swing Choir: (l-r) Angie Branigin, Greg Sears, Beth Baker, Jera Lee, Brian Summitt, Sara Leonard, Melissa Schwartz, Garth Brooks, and Merritt Woerner.
